If at all there is any deficiency, there can be only **compliance** inspection based on previous report. In addition, we would like to submit that the 65 teaching faculties have gone to KUHS Thrissur for their original certificates verification by the Kerala Health University as per the E-Scheduler enclosed which is mandatory on the part of the College according to Kerala Health University rules.

In view of the above facts, we most respectfully request you not to conduct inspection of our college today as we are yet to receive the outcome of the previous inspection.
