Details of Basic Course Workshops in Medical Education Technology conducted by MEU under supervision by allocated Regional Centre

: Requested MCI for formal permission to conduct basic course on Medical Education Technology at our college. Permission from MCI is awaited. Meanwhile, we have conducted four short programmes under the title of PETALs (Programme for Enrichment of Teaching And Learning Skills). Medical Education Unit also conducts lectures for the students on various academic skills like Learning Skills, Reading Skills, Exam Writing Skills. In addition there is a continuous slide show on different academic skills and separate poster session.

Feedback evaluation of workshops by observer from Regional Centre  
and action taken on the Observer Report

Notes:

For purpose of working out the deficiency;

(a) Demonstrators/tutors are counted as faculty along with Prof., Assoc Prof., &amp; Asst. Prof

(b) SR. &amp; JR. are counted together.

ANMO, MWO &amp; LMO need to be physically verified and not be counted for the purpose of shortage in faculty/residents.

A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus as the medical college.

Colleges running PG programmes require following additional faculty in the departments

of pathology, radiology &amp; anesthesiology; Assoc Prof.-1, Asst Prof.-1 &amp; Tutor-1.

M-W

**Department wise deficiency (if any): -**

Out of three, two lecture theatres are under renovation and undertaking from the College is enclosed that the work will be completed within a month.

Two RHTCs are under state government control

Faculty and residents shortage are within the permissible limit.

Department of Forensic Medicine teaching materials are not adequate and lab not functional

Handwritten signature and initials in black ink, located in the bottom right corner of the page. The signature appears to be 'M. J.' with a checkmark-like flourish, and below it is a more complex signature or set of initials.
