**Notes:**

**For purpose of working out the deficiency:**

(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.

**(A) For Teaching Faculty:**

(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.

(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.

(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.

(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.

**(B) For Resident Doctors:**

(a) Excess of SR can be compensated to the deficiency of JR of the same department only.

(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.

(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.

Explanations regarding the Bed occupancy percentage:-

Patients might have moved out of bed to toilet or treatment rooms, The hospital is in the outskirts of Palakkad and generally OPD and discharges are happening on Mondays maximum. In addition the IP strength was assessed at 10AM being in the rural portion of the hospital Admissions are increased towards afternoon. The Bed occupancy towards evening on 31.10.17 was almost 80% and same was there on 1/11/17 also.

Explanation for Faculty Deficiency.

One faculty Statistician Community Medicine went for her son's marriage wedding card produced to Assessor but not accepted

Two faculty Members in OBG were in OT they missed the attendance before 11AM

One faculty in Forensic Medicine applied a Medical leave following the humbramal sham Medical leave is not accepted.

Explanation for lack of ID from KUIHS:- Registrar gave an explanation that ID will be issued later from KUIHS after Faculty enrollment (online) letter attached.

Respected Madam,

**Subject: - Assessment of the physical and other teaching facilities for Fourth Renewal Permission for admission of 5<sup>th</sup> batch (150 Students) of P K Das Institute of Medical Sciences, Palakkad Kerala Under Kerala University of Health Sciences Thrissur, Kerala u/s 10A of the IMC Act, 1956 for the academic year 2018-19:- SUBMISSION OF MEMORANDUM**

**Reference - MCI Email No.MCI-34(41) (UG)(R-58)/2018-19- Med dated 31.10.2017.**

MCI Assessors had visited P.K.Das Institute of Medical Sciences on 31.10.2017 to 01.11.2017 to conduct the Assessment of the physical and other teaching facilities for **Renewal of Permission for admission of 5th batch (150 Students) of P K Das Institute of Medical Sciences, Palakkad Kerala Under Kerala University of Health Sciences Thrissur, Kerala u/s 10A of the IMC Act, 1956 for the academic year 2018-19.**

In this connection we would like to humbly submit and undertake and affirm that we were fully ready & equipped for the inspection in all aspects in terms of MSR and Assessors Guide. We have state of the art infrastructural facilities and amenities with full faculty as per the revised MSR, sufficient clinical data and hence fully qualified for the Fourth Renewal permission. The academic results of the students of the Institute in the earlier three batches, groomed by the highly experienced faculties appointed have been most commendable and excellent, as discernible from the results of the University Examinations, which are portrayed hereunder. As discernible from the data, the pass percentage of the 3<sup>rd</sup> year batch of students was 100% since all the 109 students who appeared for the University examinations of 2016 – 17 had passed with 37 distinctions and 59 first classes and the results have been consistent and excellent since the Inception of PKDIMS our students have excelled all other colleges including Government Medical colleges in terms of pass percentage, distinctions and first classes.

The Entire admission for MBBS course in Kerala is being done by Government of Kerala through All India NEET examination and allotment of students have been done through a Centralized Counseling System conducted by Commissioner of Entrance Examination Govt. of Kerala. The Fees structure is also being decided by the Admission Supervisory and Fee Regulatory committee. The Motto of our institution has always been to impart quality education to the grass root levels of the society and no profiteering of any kind is meted out. **Only Rs.5 lakh fees has been prescribed per annum for pursuing MBBS course in Kerala in Self financing colleges** which is highly insufficient and extremely difficult to conduct the programme with such meager fees. However we have been relentlessly moving forward in keeping with our Social obligations/commitments and for the large interest of the students' community and social cause in general and our commitment towards furthering the cause of Quality Medical Education. .

We would like to humbly submit a tabular form of compliance of the deficiencies noted in the Fourth Renewal Permission Inspection conducted on 31.10.2017 and 01.11.2017 :-

Sl. No.	Deficiencies Noted and Para referred	Para No.	Compliance submitted by the Institution	Remarks/Supporting documents can be provided at any point of time on demand.
01	Deficiency of Teaching Faculty : 9.23 % (12 out of 130)	Para 5	<p>In this connection it is submitted that we have full compliments of Faculty as per the Minimum Standard Requirement.</p> <p>The Assessors reported in the Medical college at about 0950 am and reported to the Principal's office. Two of the Inspectors immediately left for the Hospital rounds and one of the Inspectors stayed back for filling up of the Faculty attendance form. All Faculties were informed to assemble in the Lecture Hall of the Academic block immediately to enter their attendance. Only one hour was provided for 130 faculty member and 80 residents to register their attendance.</p> <p><b>The hospital block is spread across 20 acres and consists of 23 wards in eight floors. The hospital is functioning in a separate building in the same campus. Only 7 faculties were late by few minutes and were not accepted by the Assessors.</b></p> <p>Five faculties were on sanctioned leave on various grounds and they were called back immediately but unfortunately they could reach only few minutes after 11 AM. They pleaded before the assessors but the assessors did not agree. Accordingly they have mentioned a deficiency of 12 faculty members out of 130 in which 7 faculties mentioned below were not accepted by the Assessors due to the reasons mentioned against each.:-</p>	

		<p><b><u>Ms.Christeena Jose Statistician cum Lecturer of Community Medicine</u></b> had applied leave for her own marriage which was fixed on 29/10/2017 (Sunday). Accordingly the Principal have sanctioned her leave on extreme unavoidable grounds. Copy of the Wedding Invitation and Marriage Certificate issued by the Church already available on records notifying the marriage will be produced on demand. Immediately on receipt of information at 10:00 AM about the inspection she travelled all the way from Kochi (husband's residence) and reached the college and reported back on 31.10.2017 at 01:00 PM but was not accepted by the assessors. Since this is a most genuine case she may kindly be accepted.</p> <p><b><u>Dr.Vemula Maralikirshnan, Professor Forensic Medicine</u></b> was suffering acute Lumbo Sacral strain and has been advised bed rest from 29/10/2017. Leave was sanctioned based on his extreme ill health. In spite of his physical ailment he reported back but was not accepted by the Assessors. Being a case of extreme health ground we request you to accept him please.</p> <p><b><u>Dr. Anil Raj Assistant Professor Surgery Department</u></b> had applied for Marriage reception of his sister which was fixed on 31/10/2017. Accordingly the Principal have sanctioned him leave on extreme compassionate/unavoidable grounds. Copy of the Wedding invitation will be produced on demand. Hence he may kindly accepted.</p> <p><b><u>Dr. G.Sharadha Associate Professor and Dr.A.V.Ramachandran Assistant Professor of OBG department</u></b> were in the Theatre performing emergency surgery on 31.10.2017 at the time of Assessors visit to the OT. Their names were not included by the Sister in charge of the Theatre who provided the list of doctors in the OT to assessors. Hence they may kindly be accepted please. So is the case of <b><u>Dr.Joby Thomas Associate Professor and Dr P.Muralinath Reddy Professor Anesthesiology who were also the part of the Surgery Team as Anesthetists.</u></b> Immediately after the surgery once they came to know that their names were not included in the attendance sheet they rushed back to the academic block and they were late and not accepted by the assessors. Hence the above faculty members may kindly be accepted please.</p>	<p>Copy of Wedding Card/Marriage Certificate.</p> <p>Medical Certificate and approved leave letter.</p> <p>Copy of Wedding card.</p> <p>Copy of OT Register of 31.10.2017</p>

			<p><u>Further 5 faculties were sanctioned leave on 31.10.2017 and on getting the information of the inspection they rushed back but they were not accepted. Since their cases are fully genuine they may kindly be accepted Please.</u></p> <ol style="list-style-type: none"> <li>1. Dr. Katrawala Shoeb Samadhiya Associate Professor of Radiology</li> <li>2. 02	Bed Occupancy- 40.3% (262 out of 650)	Para 8	<p><u>In this connection we would like to point out that the absolute figure of IP strength of 262 mentioned by the Assessors is factually wrong. We actually had 493 IP patients on 31.10.2017 and we would like to submit the actual IP strength as per the department categorization mentioned below :-</u></p> <ol style="list-style-type: none"> <li>1. General Medicine &amp; Allied Specialties <ol style="list-style-type: none"> <li>a. General Medicines- 128</li> <li>b. Pediatrics- 76</li> <li>c. Chest and TB- 18</li> <li>d. Dermatology- 06</li> <li>e. Psychiatry- 10</li> </ol> </li> <li>2. General Surgery &amp; Allied specialties <ol style="list-style-type: none"> <li>a. General Surgery- 111</li> <li>b. Orthopedics-59</li> <li>c. Ophthalmology- 12</li> <li>d. ENT-13</li> </ol> </li> <li>3. OBG-60</li> </ol> <p>GRAND TOTAL – 493 IP ON 31.10.2017 at 10 am.</p> <p>Assessors have counted the Patients only available on the bed at that given moment which is 262. We actually had 493 IP patients on 31.10.2017 which is evidenced by the fact that in the A2 form the Assessors have accepted 161 admissions on that particular day i.e. 31.10.2017. They have not considered the ambulant patient who had gone for giving samples to the Central Laboratory. As per the data provided at Page No.16 of A2 form which has been checked and verified by the Assessors the total number of such samples in various sections of Central Lab is 636 from IPD on 31.10.2017. This</p>	<p>Excerpts of IP Register</p> <p>Page No.15 and 16 of A2 form</p> <p>Copy of Free Food Register issued on 31.10.2017 and Hospital census.</p>

figure clearly reflects the number of patients moved out from the Ward to issue the samples which comes around 75 plus. Further around 45 Inpatients were taken for Radiological investigations including X ray, Ultrasound , Barium studies, MRI and CT scan which is mentioned in Page No.15 of A2 form . They have also not included the babies who were being carried by their mothers or bystanders, babies in the toilets and those who were in the feeding area and the patients who had gone for free food and breakfast. We would like to submit the break up as follows

1. Ambulant IP patients in Lab – 40
  2. Ambulant Patients in Radiological investigation-45
  3. IP cases in Labor in Labor Room & Cesarean section in OT - 03
  4. Admission recorded by the Assessors on 31.10.2017- 161
  5. IP noted by the assessors – 262
  6. Discharges recorded by the Assessors – 82
- Total 429 (511-82 (discharges) = 429.

The remaining 65 patients were dispersed in the following areas :-

- a. Patients taken for cross reference and consultations to OPD
- b. Patients taken for Pre Anesthetic check ups
- c. Ambulant Patients gone for Free Food in canteen
- d. Babies carried by their mothers and bystanders.
- e. Babies in the feeding room and toilets.
- f. Patients in the Examination cum Treatment Room.
- g. Patients taken for case discussion for MBBS students.
- h. Patients in the bathrooms and toilets\

**Grand Total – 429+65 = 493 IP .**

These above omissions were pointed by the Nursing Superintendant and the accompanying faculty which was not accepted by the assessors. From the above it is evident that we always have more than 75% bed occupancy at any given point of time.

**We would like to bring out a vital point in this regard which will clearly substantiate that there was no deficiency in Bed Occupancy:-**

As the conversion Ratio of OP to IP is 30 to 40 %. In the instant case as per the remarks on Column No.2.6 of A2 form on page No. 14 the OPD attendance at 02 pm on 31.10.2017 is 1060. As per the remarks of the Assessors this data has been verified and Signed evidence sheet has been provided to the assessors.

By applying this conversion ratio i.e. 40 % of 1060 the IP works out to 424 at 02 PM. But our OP timings are from 0900 AM to 0400 PM and the OP at the close of 4 PM was 1280 and the IP conversions correctly work to 493 IPs approximately. So this figure itself ratifies the adequacy of our Bed occupancy status as per Minimum Standard Requirement.

Further we would like to substantiate that we actually had 493 IP patients on 31.10.2017 which is evidenced by the fact that in the A2 form the Assessors have written 161 admissions from their own verifications on that particular day i.e. 31.10.2017. Further we wish to substantiate this by stating that in Page 16 of A2 form the number of samples collected from IP departments for various investigation have been shown below :-

Bio Chemistry – 286  
Microbiology – 37  
Serology – 44  
Hematology – 181  
Clinical Pathology – 62  
Histopathology- 13  
Cytopathology- 13.

These datas are well matching with our IP strength which is well supported by the IP Pharmacy prescriptions.

The Principal brought these actual facts to the notice of the assessors and pleaded before the Assessors to have a revisit in the wards and look into the documents which were denied. The Bed Occupancy was consistently 80 % on 30.10.2017, 31.10.2017 and on 01.11.2017. We would like to add the fact that our Medical college is located in a Rural Area in Palakkad district and maximum admission occurs towards the afternoon. The same is evidenced by the 80 % Bed Occupancy on 30.10.2017 evening and same on 31.10.2017 and 01.11.2017.

*[Handwritten signature]*

			<p>Moreover admission to our Wards is completely free of charges and hence we do not have any shortage of Inpatients at any given point of time. The A2 form filled by the Assessors during the Third renewal for the academic year 2017-18 in Page No.14 against Bed occupancy at 10 am on the first day of the inspection was 90%, clearly shows that we are consistently maintaining adequate IP patients as per Minimum Standard Requirements.</p> <p>We are ready to forward System generated Inpatient details of the last 7 days and can be produced on demand.</p>	<p>In view of the Truthful facts corroborated by the evidences on records the observations mentioned may kindly be treated as complied/settled</p>
03	No faculty has submitted copy of UG teacher from affiliated University	Para 9	<p>KUHS is continuing the online faculty enrolment programme and Phase I has already been completed and Original Certificate verification will start from 1<sup>st</sup> of November 2017 in the University Centre.
