4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Shortage of Residence is 19.54% as detailed in the report.	All the residents as per norms for 150 MBBS admission were present on the day of inspection (02/06/2016 & 03/06/2016){Appendix -1a – copy of relevant pages of attendance registers and Appendix – 1 b- bank statement of the residents for the month of May, June and July 2016 are attached.	Residents deficiency only 1.74%. (2 out of 87)

		<p>Appendix 1 a shows the relevant pages of the attendance registers from various departments which shows that all the residents were present on the days of inspection ie. 2nd and 3rd of June 2016.</p> <p>Appendix 1 b Shows the bank statement of all the residents in the attendance register who are drawing regular stipend from the institution.</p> <p>But 17 residents (15 senior residents and 2 junior residents) were not accepted by the inspectors as they were not physically presents in their respective hostel rooms at the time of inspectors visit and failed to convince the inspector's about their occupancy status in their hostel rooms and accordingly they were not counted as residents. But as per Appendix 1 a and 1 b above it is obvious that there was no deficiency of residents at the time of MCI inspection.</p>	
2	Most of the Senior Residents do not stay on the campus.	Rooms are being earmarked and allotted to all senior residents from the date of joining in the college. It is practically impossible to monitor their stay in the hostel rooms as their duty time is round the clock (24 Hrs) and they may not be available in the rooms all the time. On the inspection day all the resident were occupying their rooms but some of them failed to show their used dresses, foot ware etc as demanded by the inspector to prove their stay in the hostel and hence not accepted. It may not be possible to show such things by a resident doctor at the time of visit to prove their occupancy status, as they are on 24 hrs duty (Round the Clock). They may be even keeping such things in their residents room of the hospital.	All residents are allotted rooms in the Hostel.

		<p>From the institutional point of view adequate facilities were provided to accommodate 100% residents as is evident from Appendix II a, II b and II c</p> <p>Appendix II a shows that the institution has provided facilities for accommodating 160 residents against the required capacity of 115 and had been approved by the MCI inspectors in their inspection report. Signed copy attached.</p> <p>Appendix II b and II c are the abstracts of the registers from the resident hostels for men and women showing the allotments of rooms to each resident from various departments.</p> <p>Hence there was no deficiency.</p>	
3	<p>Nil patient was admitted in the casualty till 11.30 am on the date of assessment</p>	<p>In fact 16 numbers of patients were admitted in casualty at 11.30 am as per Appendix III a approved and signed by the MCI inspectors. In addition, we had 3 numbers of deliveries and 2 numbers of caesarean sections as recorded in the assessors report showing in the clinical materials (Appendix III b) which was admitted through casualty.</p>	<p>On the day of assessment, 17 patients were admitted in casualty before 11 A.m.</p> <p>2 caesarian operations were done.</p> <p>4 normal deliveries were conducted.</p>
4	<p>Wards: Ancillary facilities are not available as per MSR regulations in several wards. Wards of General Medicine department do not have attached demonstration rooms</p>	<p>All ancillary facilities as per MSR regulations namely nursing station, treatment room, pantry, store room, duty room, demonstration room are available in each ward of the hospital. Appendix IV is an abstract from the assessor's report that endorses the availability of the aforesaid facilities. However demonstration room attached to one of the medicine ward was not accepted (1 out of 5 demonstration rooms in the medicine wards) by the inspectors in spite of the fact that the same demonstration room had been accepted</p>	<p>Ancillary facilities are available as per MSR regulations in wards.</p> <p>General Medicine department have attached demonstration rooms.</p>
