4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Shortage of Resident is 11.49% as detailed in the report	The MCI Inspection team who have visited the institute on 14 th July 2017 have mentioned Shortage of Residents is 11.49% (<u>10 Out of 87 as required strength of residents</u>) as detailed in the report. In academic year May 2017 the sanctioned Post of residents inclusive of JR-1, JR-2 & JR-3 is 243 out of which 219 are filled. The Vacant post are 24. <u>The deficiency is 24 out 243, which comes to 9.87% which is within the acceptable limits as per MCI norms.</u>	Shortage of Resident is 3.5% on the day of assessment
2	Central Library: Available area is 135 Sq.m against requirement of 2400 Sq.m New building is unfurnished & Non-functional.	The MCI Inspection team who have visited the institute on 14-7-2017 verified the area of the <u>Existing</u> library as 2630 Sq.mtrs, which has already been mentioned in the assessors report. Thus this deficiency stands as nullified. In addition to the existing Library facility, a new library building has been constructed as per the MCI Norms. Though the building is ready for use along with the electrical connections ,the furniture is yet to be installed. We have forwarded the Proposal of furniture & other facilities as required by the MCI to the Govt. for immediate action. <u>The additional budget required for the said furniture is likely to be released in Dec-2017.And the new building would be in use as soon as possible.</u>	Central Library: New building available area is more than 2400 Sq.m. On the day of assessment shifting of library was under process. It requires to be furnished & to be functional. <u>Deficiency partly rectified.</u>

Sr. No.	Dept.	Deficiencies pointed out in the MCI Inspection report Dated:24 th & 25 th Aug 2012	Compliance as submitted by Dean Govt. Medical College, Aurangabad (MS) in Jan 2014	Compliance assessment Verification Report dated;21 st and 22 nd Aug 2014
6	Nursing	Nursing Staff is adequate in number although the senior position are not filled.	Senior post of the Nursing Staff are being filled by Promotion through Director of Medical Education & Research Mumbai .Out of 24 posts 17 posts have already been filled in and 7 posts are vacant. To fillup the remaining posts Director office has started due diligence.	Deficiency rectified. <u>Matron:01</u> Mrs V V Kedar (Joined recently) <u>Asst. Matrons:05</u> were Given appointment in 2013 (Appointment letters enclosed) Mrs. Vedi Mrs. Gaikwad Mrs. Khatgaonkar Mrs. K Bharti Mrs. Korvi In addition there are 14 Head Sisters Incharge
7	PHCs /RHTC	PHCs/RHTC are more than 30 Kms from the college, which is not as per MCI norms	When this college was established, interia of RHTC was within 50 KM, distance. Accordingly RHTC is at Paithan, having its own building and 30 beded hospital infrastructure.This RHTC is catering to the needs of Paithan town.There is no any health services delivery point for paithan. Hence RHTC is continued at paithan. It is No.1 RHTC in Maharashtra, appreciated by previous MCI team.	The establishment of RHTC was way back when institute started and at time it fulfilled the criteria of distance norms.(1956). The RHTC is Well-equipped with Good patient attendance and caters for complete Paithan town. The Infrastructure is adequate. Interns are regularly posted and stay there and they get good hands-on experience.
