(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.

**(A) For Teaching Faculty:**

- (a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
- (b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
- (c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
- (d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.

**(B) For Resident Doctors:**

- (a) Excess of SR can be compensated to the deficiency of JR of the same department only.
- (b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
- (c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
- (d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.

<b>Notes:</b>
<b>For purpose of working out the deficiency:</b>
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
<b>(A) For Teaching Faculty:</b>
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
<b>(B) For Resident Doctors:</b>
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

<b>Notes:</b>
<b>For purpose of working out the deficiency:</b>
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
<b>(A) For Teaching Faculty: 3.88</b>
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/ category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/ Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
<b>(B) For Resident Doctors: 1.56</b>
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.

**Sub: - Information regarding University recognized teachers.**

Respected Sir,

As per instructions given by you, the necessary information regarding University recognized teachers is submitted as follows.

At this Medical College out of 106 faculty 71 teachers are recognized by the Maharashtra University of Health Sciences, Nashik. For the remaining 35 posts, the necessary process is almost completed. The Roster and Advertisement is approved by the University. Thereafter the said Roster and Advertisement is approved by the Backward Class Cell, Aurangabad as per Government rules.

These 35 are working at this College but approval process is due.

The advertisement will be published in the newspapers and process of recognitions of teachers by the University will be completed soon.

Thanking you,

Yours Faithfully,

DEAN

#### 4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Shortage of Residents is 10.6 % as detailed in the report.	In our letter dated 20/06/2016 (Report – B), we had explained that the deficiency of residents stands at 4 out of 66 which is less than 10%.  As on date there is a shortage of only 2 residents and the deficiency stands at 3.04%	Shortage of Faculty= 4.9% Shortage of Residents = 12.12%
2	Bed Occupancy was 44% at own hospital on the day of assessment.	The bed occupancy reported by the assessor is factually incorrect. There were 196 patients at our own hospital on the day of assessment.  The bed occupancy stood at 75.38%.	There were 310 patients out of 470 beds inclusive of both hospitals (Terna Medical College & Research Center & NMMC Hospital, Vashi).  Bed occupancy = 65.9%.
3	OPD attendance at own hospital was 199 at 12.00 noon. The figure of 451 given by institute at 2.00 pm is	In order to offer patients the facility to visit our OPD for consulting as per their convenience, as a special initiative, we have extended the OPD	OPD attendance at 02:00 pm : Terna Medical College & Research Center - 388 & NMMC - 1570

12.	In Terna Medical College building, ground floor was occupied by school children. Their classes have been taken there. This is contrary to Regulations.	The statement that ' the ground floor was occupied by school children . Their classes have been taken there' is inaccurate and misleading. The ground floor area of medical college building is 33100 sq feet. It was seen by the assessor that only one hall was used by our Trust's school. The hall was given for a limited period of time on that day and the same had been explained to the assessor, Dr. S . Meera.	There is One Lecture theatre and one Auditorium at Ground floor of Terna Medical College building . There is no School running in the College building.
13	RHTC is in rented place. Deficiency remains as it is.	The MCI minimum standard requirement norms for Medical College do not refrain a Medical college from conducting an RHTC in rented premises. However, we are in the process of purchasing suitable land/ building.	The College has MOU with private owner of the building where RHTC is placed till validity period 31.07.2019 (copy of the same is attached)

<b>Notes:</b>
<b>For purpose of working out the deficiency:</b>
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
<b>(A) For Teaching Faculty:</b>
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
<b>(B) For Resident Doctors:</b>
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city

C. Bed  
occupancy :  
73%

**C. BED OCCUPANCY :-**

**The bed occupancy mentioned in the assessors report is 80.12% taken together at 2.00pm of own & affiliated hospital.**

**On the day of inspection the bed occupancy at 10.00 A.M. of Own hospital mentioned in the assessors report is 73%**

**However the bed occupancy at own hospital on the day of inspection was 89.23%.**

On the day of inspection the assessors have counted only the number of patients which were on the beds; Whereas the IPD register shows:-

The number of patients on the beds counted by the assessors	-	190
The number of ward patients taken to the operation theater	-	7
The number of ward patients taken to radiological investigations	-	9
The number of new admission on the day of Inspection	-	26

( Copy attached Page no. 08 to 14 )

<b>Total No IPD on the day of inspection</b>	<b>- 232</b>
--	--------------

**Data of TSSHRC, Nerul**

Genuine admissions - 88.

Genuine Bed Occupancy = 88 / 200

Bed Occupancy = 44%

Unnecessary admissions -48.

Medicine – There were 17 patients which did not require admission ( 08 were admitted with the diagnosis of fever and the fever had not been seen in the temperature chart after admission. There were patients belonging to other departments with the diagnosis of Cataract, ovarian malignancy, Bell's palsy , and severe osteoporosis kept in the Medicine ward (list of the patients is attached).

In Obst. & Gyanec there were 16 patients who did not require admission. One patients of prolapse uterus had been awaiting for surgery since getting

**Other deficiencies.**

Shortage of teaching faculty

Dr . A.C Mohanty, Professor of Forensic Medicine is on Medical leave, (leave letter is enclosed.) Attached with Attendance Sheet.

On the day of inspection Dr. A.C. Mohanty, Professor of Forensic Medicine was on Prior sanctioned leave; mentioned in the assessors report.

**Dr. A.C. Mohanty is joined back on duty on 29/02/2016 ( Joining letter is attached page no. 35 to 36 )**

**For recruitment of the vacant post of Surgery and Anaesthesia ; the advertisement is given on Naukari.com ( Copy attached. Page no . 18 )**

Dr. A.C Mohanty, Professor of Forensic Medicine was present on the day of inspection.

**Comments :** For practical purposes, Terna Medical College & Hospital is housed at three places -

1. Terna Medical College: - There is One college building. In the morning hours, the ground floor was occupied by school children. Their classes have been taken there.
2. Terna Sahyadri Hospital Building is about 2 km away from the Medical college.
3. NMMC (Navi Mumbai Municipal Corporation) General Hospital, Vashi , for which MOU has been signed by the Institute is about 6 km from the College. OPD & Admission allotted to Terna Medical College is Tuesday's & Friday's, On Rotation on Sunday's. Apart from these days The NMMC Medical Officers are taking care of the Patients. Services like

1) Deficiency of Teaching Faculty : 3.92% [ 04 short out of required 102 ]

2) Deficiency of resident doctors : 10.60% [ 07 short out of required 66 ]

<b>Notes:</b>
<b>For purpose of working out the deficiency:</b>
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
<b>(A) For Teaching Faculty:</b>
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/ category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
<b>(B) For Resident Doctors:</b>
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city

2	Bed occupancy is only 51% even taking into consideration both hospitals - NMMC hospital and own hospital	Kindly note average Bed occupancy of both hospital taken together for 04 months is 81%.													Bed occupancy is 79% taking into consideration both hospitals - NMMC hospital and own hospital (TSSHRC)
3	Special investigation like Ba, IVP are not carried out at either hospital.	X-Ray machines were under repairs at NMMC (Affiliated Hosp.) in Jan. & feb.2015 due to which, Special procedures were not conducted fully. From March-2015 Special investigations including Ba & IVP are carried out regularly. (Please refer data of Radiological Investigations including Ba & IVP in point no. 10 )													Verified and found Special investigation like Ba, IVP are carried out in both the hospital.(annexure I)
4	Shortage of Residents is 16.8% as detailed in report.  (a) Senior Resident : 17 (b) Junior Resident : 02	Presently <u>94</u> Residents (Senior and Junior) are available against requirement of 101, i.e. <u>93 %</u> Resident posts are filled and now, the shortage is only <u>7%</u> for which the recruitment is under process. (As our trust has Dental college, requirement of 2 more senior residents is not counted. Hence instead of 103, requirement of residents comes down to 101. Copy of advertisement is attached, <u>page no. 11</u> )  (a) Total Senior Residents available : 37/44 (b) Total Junior Residents available : 57/57													Shortage of Residents is now 6.06%  Out of the required 66 Only 04 nos. of Sr. Resident not available. 01 in Anaesthesia 03 in General Surgery

<b>Notes:</b>
<b>For purpose of working out the deficiency:</b>
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
<b>(A) For Teaching Faculty:</b>
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
<b>(B) For Resident Doctors:</b>
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/ JR of any department cannot compensate the deficiency of SR/ JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/ JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/ Dental faculty is not required where a dental college is available in same campus/ city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

## SUMMARY

The three assessors arrived at The Terna Medical College at 9.30 am. The assessment for compliance verification started from 10 am with videography . The College authorities actively cooperated. The College is running by two Hospitals namely TSSRHC (TERNA SAHYADRI SPECIALITY HOSPITAL AND RESEARCH CARE) and NMMC (NAVI MUMBAI MUNICIPAL CORPORATION) hospitals in two places. The distance between both the hospitals is within 5 kilometres. The Teaching Faculty and Resident Doctors deficiency are 2.94 % i.e 3 out of 103 ( Dental faculty not counted) and 6.06 % i.e 4 out of 66 ( Dental resident not counted) respectively.

REMARKS  
on 10-3-15

2

Clinical material: At Terna Hospital, OPD load and inpatient load is small. OPD is only 150 against requirement of 800 and bed occupancy is 20% against requirement of 75%. There was not a single patients in wards of General Surgery, ENT Psychiatry and Pulmonary Medicine.

Terna Medical College has its own hospital and One affiliated hospital.

1. Terna Sahyadri Specialty Hospital and Research Centre, Nerul (TSSHRC).
2. Navi Mumbai Municipal Corporation Hospital, Vashi (NMMCH).

We would like to draw your kind attention to, the clinical material data of both hospitals taken together complies with all the requirement of MCI norms. The assessment report has also refereed both hospitals data for all parameters of inspection/ norms from Sr. No 3 to 14. Hence the management humbly requesting to consider data of both hospitals in clinical material together.

Terna Medical College has its own hospital and One affiliated hospital.

1. Terna Sahyadri Specialty Hospital and Research Centre, Nerul (TSSHRC).
2. Navi Mumbai Municipal Corporation Hospital, Vashi (NMMCH).

The administrative control of NMMC Hospital stays with Municipal Corporation, Navi Mumbai and not Terna Medical College.

Clinical material: At Terna Hospital, OPD load is approximately 350 per day. However inpatient load is small. On the day of assessment Bed occupancy was 16 % with 45 beds occupied out of available 280 beds as below :

Sr. Man  
10/3/15

10/3/15

There was only 1 patients in Ophthalmology ward. Daily average of total major operations is 4 and of minor operations in 4 which are grossly inadequate. Number of normal deliveries is only 1 / day and Caesarean sections are only 1-2 / week; both of which are inadequate.

Pooled together on the day of assessment the IPD figure was 255 out of total 500 beds i.e. 51% total bed occupancy. OPD figure are sufficient especially in NMMC hospital. The staff of Terna Medical College have been given 02 OPD days (Tuesdays and Fridays in NMMC). Surgical workload, deliveries and Laboratory workload is adequate in NMMC, Vashi but less in TSSHRC, Nerul. Today's figures have been given in tabulated form.

Sanjay  
 10-3-15

6 There is no separate ward for Dermatology in NMMC hospital; 10 beds are distributed in Male & female medical wards	TSSHRC has 30 bedded dermatology wards; and additional 10 beds are kept at NMMC Hospital (NMMC). As per MCI norms, 10 bedded ward is required for undergraduate program. Hence the requirement is fulfilled totally. (Photographs attached) (page no.116 to 117) -  Complied	Status remain same.

**Sub: Approval to the appointment of teacher of your college**

**Ref.: Your letter No.1) TMC/Estt./Staff selection/comp./2014/1467 dated 01/08/2014  
2) TMC/Estt./Staff selection/comp./2014/1468 dated 01/08/2014**

Sir,

With reference to the above cited subject, regarding the proposal for approval to the appointment of teachers, I am to inform you that Hon'ble Vice-Chancellor is pleased to grant approval (UG) to the appointment of following teachers as indicated below as per the terms and conditions mentioned in University Direction 02/2012.

Sr. No.	Subject	Name of the Teachers	Designation	Status of Approval
1.	Skin & VD	Dr. Ashokkumar C. Jain /	Professor	w.e.f. 19/04/2014 & onwards.
2.	Gen. Medicine	Dr. Swapnil P. Ganeshpure (	Lecturer	w.e.f. 19/04/2014 & onwards.

Further, it is mandatory for the teachers approved by the University to comply according to Medical Council of India Notification No. MCI-12(2)/2009-Med.-22654 dated 21/07/2009 and MCI-12(2)/2009-Med.Misc./56925 dated 15/12/2009.

You are requested to handover a copy of letter to the concerned teacher.

Yours,

Asst. Registrar

Sub: Renewal of Accreditation beyond 2014- regarding

Dear Sir/Madam,

Your hospital/institute is accredited with National Board of Examinations (NBE) in following specialties as per the details mentioned below:

Unique ID	Specialty	Category	No. of existing seats	Accreditation Up To
3123428	ENT	Broad Specialty	1	Dec-14

In view of the accreditation getting expired on aforesaid dates, you are requested to kindly visit the NBE website for Information Bulletin & Application form for seeking accreditation in 2014.

You are hereby informed to submit separate applications for renewal of accreditation in each of the above mentioned specialties along with the requisite fees i.e. INR 2,03,000/- (for each specialty) at the earliest but not later than 31<sup>st</sup> January 2014. You are requested to refer to the enclosure to know more about the mode of fee payment for accreditation.

Kindly note that the National Board of Examinations reserves its right not to approve the renewal of accreditation in case the hospital/institutions does not comply with the present guidelines. Application received after 31<sup>st</sup> January 2014 may not be considered for renewal of accreditation.

Yours Sincerely,

## Final remarks by the Assessors for Terna Medical College, Navi Mumbai

- The assessment for the Terna. Medical College, Navi Mumbai was done on 11<sup>th</sup> and 12<sup>th</sup> September, 2014 for the purpose of Pre PG evaluation and Compliance verification.
- The assessment team reached the college at 9.15am and met the Dean.
- The **distribution of work** by the individual team members was as under:

Dr Achal Gulati: Visited the clinical departments including the OT's, OPD's, Intensive care areas, the Radiology department, OT's, casualty and emergency services ancillary services like kitchen, pharmacy, blood bank, the CSSD, etc .

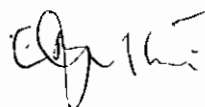

Dr Jayanti: Visited and verified the faculty and resident staff of the Pre and Para clinical departments, hostels, residential quarters, Lecture theatres, library, Medical education department etc

- The college is **affiliated to the Maharashtra University of Health Sciences, Nashik, Maharashtra.**
- An attendance sheet was circulated amongst all the faculty and staff to mark the signatures by 11.00am. It was informed that only those who were present at that time would be evaluated in the afternoon at the time of physical verification.
- The assessment process was videographed using 2 videographers, one with each assessor.
- **Dean Office:** The College has adequate infrastructure for the administrative wing of the Dean and the ancillary staff.
- **Web Site:** The College has a web site, but it needs to be updated.
- **UG Intake:** The College is permitted an intake of 100 students with effect from 1991 and recognized for 100 intake in 1998.
- **PG Courses:**
  1. The college is conducting post graduate course in Community Medicine.
  2. It was also taking 2 students for DNB training in the department of ENT. However they have stopped admissions in this course since last year.
  3. The college is conducting course for diplomas under the College of Physicians and Surgeons (CPS) in the department of Pathology, Pediatrics, Orthopedics, Eye, ENT, Ob/Gy, Radiology, Anesthesia.

**The Dean has undertaken to discontinue the above courses.**

- **The ME unit, college council, Pharmacological Vigilance committee etc are in place.**
- **Lecture theatres; Examination hall; auditorium:** Are adequate
- **Hostel facilities:** The hostels are located in 2 buildings which are Ground+ 7 floors each.

 17/9/14

1. There is accommodation for 522 individuals in 2 hostels of Ground + 7 floors in 174 rooms.
  2. **The girls hostel has 90 triple seater rooms...thus having a capacity of 270 students. These are located in the Girls hostel building which is meant solely for the UG students.**
  3. **The boys' hostel has 84 triple seater rooms ie having a capacity of 252 individuals.**
  4. These rooms in the boys hostels are available for stay of UG students, Interns, Junior Residents and Senior Residents. The rear section of the building has 35 rooms for Nursing quarters.
  5. There are no separate quarters for teaching faculty and Non Teaching staff. They are **allotted accommodation in the hostel building in case required.**
- **The central library is adequately stocked and equipped**
  - **The hospital: The College has 2 hospitals affiliated to it.**
    1. **The TSSH is located a distance of 1 km from the college campus and is under the direct administrative and financial control of the college.**
    2. **The Navi Mumbai Municipal Hospital (NMMH), which is located at a distance of about 6 kms from the college is under the Navi Mumbai Municipal Corporation. The Dean has stated that the College has an agreement with the government about the utilizing of the services of the hospital for clinical training. Such an arrangement is in place since the establishment of the college. The documents of arrangements with the Navi Mumbai Municipal Corporation are attached.**
    3. **This arrangement has been in place since 1991 and has been shown in previous inspection.**

**The college has shown the distribution of beds as 280 beds in TSSH and 220 beds in NMMCH.**

- **The OPD's are located in both the hospitals. The OPD of TSSH is adequate and have 4 rooms, teaching areas and are adequately equipped and furnished. The OPD's at NMMC is having 1-2 rooms for each specialty. The OPD's are adequately equipped. No teaching areas are demarked for teaching purposes. However 3 teaching rooms have been marked on the 2<sup>nd</sup> floor for teaching areas.**
- **The doctors from Terna Medical College are posted in the NMMCH and have Tuesdays and Fridays ear marked for running OPD's there. The wards do not have specifically delineated areas for the TMC, but adequate space exists. The patients admitted under the TMC doctors on their OPD days are looked after by them completely.**

*DR*

*C.R.N.*

- **Injection room, dressing room, minor OT, refraction rooms, clinics** as related to the various departments available in both hospitals
- **Operation theatres:** There are adequately equipped and furnished OT's in both hospitals.
- **The wards:** in the TSSH are well made. The occupancy in the TSSH is only 20%. There are teaching areas, dressing rooms, nursing station, doctors' duty rooms etc.

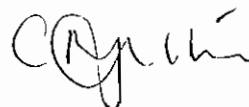

On the other hand the NMMC hospital is crowded with patients and the daily OPD is about 1000-1200 patients. The bed occupancy is around 90%. The college has shown 280 beds in TSSH and 220 beds in NMMC. Here the wards do not have teaching areas. The combined clinical material of the both the hospital if seen in combination is of overall good quality. However the clinical material at TSSH including the inpatient, outpatient and operative is grossly less.

- **Clinical material:** The clinical material in the TSSH is inadequate. The daily OPD is about 150 patients. The OPDs are well made. Each OPD has 4 rooms. There are teaching demonstration rooms in the OPD's The waiting area is adedquate.
- **The labour rooms :** has 3 tables, 10 beds, a preparation room. The daily delivery load in TSSH is about 1 delivery per day and about 15 deliveries at NMMCH.
- **Intensive care areas:** At the TSSH, a combined 17 beds is available and serves as common area for ICU, ICCU, MICU, SICU, PICU. There is a separate NICU available. At the NMMCH, a common 10 bedded MICU/ICCU is available. Apart from this, a 5 bedded SICU and a 17 bedded NICU and PICU is available.
- **The casualty, emergency services** are adequate. There are 15 emergency beds. 1 CMO and 4 residents each are on duty in 3 shifts. There is an emergency OT available.
- **Blood bank:** The Blood bank at TSSH is available but it is not licensed for whole blood and components both.

The Blood bank at NMMC (Government run) is licensed for both vide No. KD 24 dt 5.2.02. Payment for grant of extension vide receipt No. 014046 dt 19.12.11 has been attached.

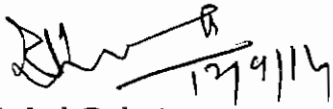

On the day of assessment, 10 units were in stock and a camp was being conducted on the premises for collection of the blood. Daily 10-12 units are issued from the bank.

- **Ancillary services** like laundry, kitchen, CSSD, waste disposal, pharmacy etc are adequate.
- **The RHTC and the UHTC** are available. The RHTC at Ulve is under the administrative and financial control of the Dean. The building is a rented one and the rent deed wef March 2014 for 5 years is attached. The UHTC is under the administrative control of the Dean. There is one

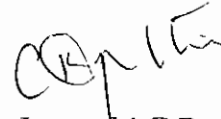

large room which serves as a dormitory accommodation in case the Interns or PG's stay there. A makeshift arrangement for food is made and is supplied by a lady who stays there. There is no formal mess available. The department is permitted to admit 3 students for MD in Community Medicine.

- **Central oxygen and suction:** is available in the OT areas.
- **Waste management:** An incinerator is available and is functional
- **The faculty shortage** is 2.3%
- **The Resident shortage** is 39.8%
