Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.

Shortage of teaching faculty is _02_%
6. Deficiency of resident doctors if any: Shortage of resident doctors is =Nil %
7. Deficiency of the infrastructure of college and hospital If any: Pl. mention category wise; Nil
8. Deficiency of clinical material If any: Pl mention category wise; Mentioned below
9. Any other Remarks: Stated below:

Regarding the issues/Controversy arising in Regards to Students studying in **Vadantaa Institute of Medical Sciences, Palghar (Maharashtra)** we have conducted 360 degree evaluation of students both verbally and in written form.

The written statements from students are enclosed without editing in sealed envelope for your information.

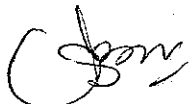

a) Regarding Faculties and Residents it is observed that 51 faculties in Pre and Para Clinical Departments were appointed in the year 2018 out of which 35 were requited in the month of Nov-Dec'18, 10 requited in the month of September'18.others are requited in other months.

Regarding Clinical faculties and Residents it is observed that 14 faculties and 45 Residents are joined in the month of November- December'18. Hence 49 Faculties out of required 100 faculties joined in the month of Nov-Dec'18 and 45 out of required 49 are appointed in the month of Nov-Dec'18. Attached **Attendance sheet** for your information and verification.

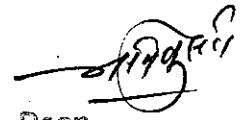

Regarding the other issues following are the verbal statements from the students staying in the hostels are as follows:

b) Regarding Electricity load shedding College authority has **rectified**

Signatures of Dean/Principal
Medical Sciences

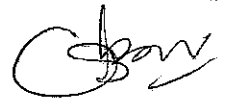

- c) Regarding the Fees structure the Authority has lower down the fees after discussing with the students. Hence it is **rectified**,
- d) Regarding the cleanliness of the Hostel College authority had taken necessary steps and rectified the problems
- e) Regarding the availability of C.T & MRI. C.T is available however MRI is not available. As it is not required at this stage.
- f) All Hostels are connected to Wi-Fy.
- h) Regarding the Mess facilities in the Hostel College authority had provided with separate Mess in the campus. Hence it is rectified.
- i) Transportation facilities are provided now by the authority.
- j) Sports facilities and entertainment facilities are also provided to them.
- k) Classes of the 2nd MBBS students being held regularly. Moreover in the 1st year also they had regular classes.
- l) Regarding College website college authority has uploaded the site (Home page is attached herewith)

So majority of the problems faced by the students are rectified now. However written statements from students and Guardians are enclosed herewith without editing in sealed envelope for further information and necessary actions.

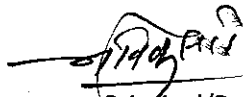

- m) On randomly verification of the Medicine and allied departments on 29/12/18 it was found there are no proper medication and investigation carried out by the institute. One of the patient name Mr Chinan Bhai Avaju (I.D 26121853) was admitted in T.B and Chest Department admitted on Wednesday (26/12/18) but no Case registry and sheet are not available. Incomplete investigations of few patients are :

Name of the Patients	Admitted in	Date of admission	IPD no	Major complains	Investigation yet to do
Pandu Ram	Gen Medicine	26/12/ 18	26121833	Acute Pain abdomen	No USG
Subhas Kashiram	T.B Chest	26/12/18	26121552	Pain in the limbs and body and Cough	Not matching the name of the patient with Case report

Subject: - Submission of representation along with A2 for the grant of permission of 2nd renewal.

Date: 29/12/2018

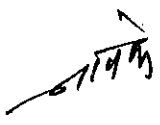

Respected Sir,

Our institute was inspected on 28th & 29th December 2018 for the grant of renewal permission for admission of 3rd batch. During the assessment the assessor has made certain remarks. I would like to submit my representation on the remarks of assessor as follows:

a) Regarding Faculties and Residents it is observed that 51 faculties in Pre and Para Clinical Departments were appointed in the year 2018 out of which 35 were required in the month of Nov-Dec'18, 10 required in the month of September'18. others are required in other months. Regarding Clinical faculties and Residents it is observed that 14 faculties and 45 Residents are joined in the month of November- December'18. Hence 49 Faculties out of required 100 faculties joined in the month of Nov-Dec'18 and 45 out of required 49 are appointed in the month of Nov-Dec'18. Attached **Attendance sheet** for your information and verification.

Reply: We have applied to MCI on 13th July 2018 for the grant of 2nd renewal. At the time of application we have already appointed 81 faculties out of 100 and 48 residents out of 49. The declaration form of all faculty and residents along with Form A and B were already submitted to the MCI at a time of application of 2nd renewal only. The recruitment of faculty and resident is a continuous process as due to various reasons the faculty/resident may leave the job and join to another college. At every month, we intent to comply with the staff as per the requirement of MCI at any given movement and therefore we are continuously recruiting the staff if they leave the institute in order to comply with the norms. 51 faculty were appointed in the year 2018 as it were required to be appointed at that stage, i.e. in the year 2018. The faculty who left in the month of October/November /December were appointed in subsequent month in order to achieve better hospital services and teaching standards.

Point no (b) to (l) it is mentioned that the complaints of students were rectified.

Dean
Vedanta Institute of
Medical Sciences

(m) in the case of Subhas Kashiram IPD no 26121552

Reply: one patient named Mr. Subhas kashiram , aged 28 year with patient I.D. No 26121552 was admitted on 26/12/2018 in the ward of TB & Chest with the complain of cough and breathlessness, mild fever etc. He was under the treatment of Dr. Sunil Amin. At a time of assessment on second day i.e. 29/12/2018, the said patient informed to assessor his name as Mr. Chinna. The said patient is tribal, we are situated in tribal district and almost all patients admitted in hospital are tribal. Due to language problem as the local patients are speaking a typical tribal Marathi language so the confusion in name happened. The said case paper belonged to him only but he could not explain the same to the assessor. Further, the patient has informed that, his nick name is "chinna" and real name is "subhash"

Regarding the incomplete investigation the justification is as follow.

1. In the case of Pandu Ram, IPD No 26121833.

Reply: the patient was admitted with the complain of burning epigastric pain on 26/12/2018. The patient did not have any history of alcoholism. Clinically patient did not have hepatomegaly and urinary complaints. Therefore the patient was given treatment of gastritis and he improved after 3 days of admission. The USG was not indicated clinically as per the condition of patient and therefore the USG was not done to this patient. The said complain, diagnosis and treatment are already mentioned in the case sheet of said patients and same has been verified by the assessor at a time of assessment.

2. In the case of Subhas Kashiram

Reply : the case has been already explained in above Para

3. In case of Roshni Ganpath Bhoje, IPD No 25121819

Reply: the patient was admitted with complain of burning micturition and fever on 25/12/2018. The urine analysis of patient was done on 25/12/2018 and report was suggestive of pus cells- 15-20 and RBC's- 30-40. Patient was started on oral antibiotics and was advised urine culture sensitivity on 25/12/2018 and USG abdomen pelvis on 28/12/2018. The urine sample was sent to lab and report was awaited as the report of culture sensitivity is usually received only after 3 days of sending sample. The assessor has mentioned that the pain in abdomen was the complain of patient, however the case sheet of said patient do not mention the same as there was no complain of pain in abdomen and therefore USG was not advised initially. The said history of patient and treatment is mentioned in case sheet of patient.

Dean
Vedanta Institute of
Medical Sciences

4. In case of Salini Prakash, IPD 25121020

Reply: the patient was prescribed Inj clavam 400 mg/5 ml and was given 3 ml BD Clavam 400 mg. The bottle of the said drug was stored in refrigerator as the storage condition for said drugs is to be stored in the refrigerator after the reconstitution. The assessor did not verified the medicine kept in refrigerator and by seeing Clavam 200 mg kept there made this comment.

5. In case of Kalpesh Mahaal, ID 26121851

Reply : clinically the patient did not have any history of fever. Blood investigation, CBC, was not suggestive of leukocytosis. The urine examination did not suggest any crystals or RBC in urine , pus cell were within normal limits. The patient clinically did not have any tenderness or organomegaly and therefore USG was not advised. The said history of patient and treatment is mentioned in case sheet of patient.

6. In case of satish Bhoje, IPD no 2812182

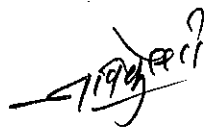

Reply: the order of treatment as mention in case sheet was properly given to patient. Inj Pantop and Inj Emset was administered through IV fluids NS. The patient may not be aware about how many injections given to him through IV fluid. The assessor has concluded only on the basis of statement of patient.

(n) Payment of the faculties are non regular, they are not getting salary every month.

The payment of salary to the faculties is little delay due to some administrative reason However the salary are being paid to all teaching and non- teaching staff. The details of payment of salary to faculty and resident, form-16 were provided to the assessor at a time of assessment and the assessor have verified the same from their bank passbook/statement. The details of payment of salary, salary certificate are already provided to assessor.

(o) No pediatric patients were available at OPD when verified at 10 am today.

Reply: On second day of assessment, i.e. 29/12/2018 at around 10 am the assessor have visited OPD reception area/ registration counter. At that time on reception counter the pediatric patient were not available. Merely by not seeing pediatric patient at registration counter at around 10 am the assessor has made this comment. However the pediatric patient who were already registered before 10 am were getting treatment in pediatric department. The same was not verified by the assessor in the pediatric OPD. The list of pediatric patient visited (61 Patients) on 29/12/2018 is attached here with.
