Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Deficiency of Teaching Faculty is 17.16% as detailed in the report.	The assessors came to the Institute at 10.10 AM to gather all the faculty of pre-clinical, para clinical and clinical departments in the lecture hall complex for head count. The message was communicated to the faculty members of all 21 departments working in various places of the college and hospital asking them to assemble in the lecture hall. By 11.00 AM, most of the Faculty had managed to come to the lecture hall complex. Few faculty members who had already signed the attendance at 8.00 AM and were taking theory classes (10.00 to 11.00 AM session) & few others who were	Deficiency of Teaching Faculty is now 1.52% as detailed in the report.

### 4. Verification of compliance

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
	OPD attendance of 1,343 on day of assessment as provided by Institute appear to be highly inflated. On physical verification at 11 a.m. & 11.30 a.m., total OPD statistics as recorded in registers of all the departments was only 286.	The OPD attendance on the day of assessment (15.03.2017) by the end of the O.P timing was actually 1343. The Medical College hospital is situated in a rural area of Coimbatore district. By and large, the out patients start coming to the hospital after 09 a.m after attending their daily routine works and it takes 30 to 45 minutes for them to get registered and go to the respective departments OPDs. On the day of assessment upon	OPD attendance 1209 - Grossly inflated When we reached hospital at 10.15 AM few patients were seen at registration. After that institute brought healthy persons to register to inflate the OPD attendance.

Respected Madam,

I am a faculty in the Department of Surgery in Karpagam Faculty of Medical Sciences and Research, Coimbatore.

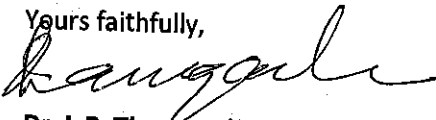

I was invited to attend a meeting to discuss matter related to implementation of the clause 11(1) of Indian Medicine Central Council (Post graduate Siddha Education) Regulations, 2016 at National Institute of Siddha, Chennai held on 10.04.2017 by Central Council of Indian Medicine, New Delhi and I have attended the same on that day. The invitation and the flight tickets are enclosed for your verification.

On that day there was a surprise inspection in Karpagam Faculty of Medical Sciences and Research, Coimbatore. As I was attending the above meeting in Chennai, I could not attend the College on that day.

This is for your kind information for doing the needful.

Thanking you,

Yours faithfully,

Dr. L.P. Thangavelu,  
Faculty, Department of Surgery,  
Karpagam Faculty of Medical Sciences and Research,  
Coimbatore.

Madam,

We, the final year students of Karpagam Faculty of Medical Sciences and Research, Coimbatore, Tamilnadu wish to again bring to your notice the problems faced by the medical students of this college.

We had written to you earlier about the management's temporary arrangements for the inspection by the Medical Council of India.

We had requested you to look into the exorbitant fees more than the Government approved fees collected in this college. Still the situation has not changed. For the Final Year MBBS Examinations, the management had made arrangements to bring few patients from other hospitals till the MCI inspectors visit which was on the second day of the examinations.

Recently, the Medical Record Office person was dismissed as he did not obey to create false records.

There are very few deliveries happening in this hospital, which can be verified from the birth intimations officially sent to the Registration department.

The surgeries are also falsely written as though many surgeries are done daily.

Out patients are brought from the neighbouring places after 10 a.m on the inspection days.

The Inpatients are also not genuine and persons from the old age homes, mental asylums and building workers are posed as patients.

The sanitation inside the hospital and hostels are very poor. We are not provided with places to study inside the hostels, like the colleges in other places.

There are three high tension power lines travelling through the college and hostels which are ignored by the inspectors obviously for the material benefits obtained from the management.

We request you to send honest, trustworthy and sincere inspectors for the MCI Inspection which is to happen in this year.

Medical Students,  
Karpagam Faculty of Medical Sciences and Research,  
Coimbatore, Tamilnadu.

The Secretary Medical Council of India,  
New Delhi,

Dear Madam,

Sub: 1. Assessment of the physical and the other teaching facilities available for recognition/approval of Karpagam Faculty of Medical Sciences & Research, Coimbatore, Tamilnadu under the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 for the award of M.B.B.S. degree (150 seats) and Compliance Verification Assessment for Renewal of permission for admission of 5<sup>th</sup> batch (150 MBBS seats) u/s 10(A) of the IMC Act, 1956 for the academic year 2016-17 with reference to the conditional approval accorded by Oversight Committee-

2. Complaint dated 03.01.2017 (email) s sent by MCI on 15-3-2017

Ref: No. MCI- 34(41)(UG)/Recg-17/2017-18-Med./

Date: 15.03.2017:

In pursuance of the said complaint, all the 3 assessors joined interacted with 2 batches of students separately (1<sup>st</sup> year and Final year MBBS students), and the Dean of the college the following were observations:

1. **Fees collected by the College:** Students told that the students admitted under Government quota through state counselling, the fees charged were Rs. 4, 00,000 per annum and an additional Rs. 1, 10,000 was collected from those staying in the hostel. Regarding those students admitted under Management quota, the fees collected were Rs.5, 00,000 per annum and Rs.1, 10,000 for hostel. Also this being a Telegu minority college, admissions is 50% each for both the categories (Proof of minority status is being attached)

However as per statement given by the Dean only Rs.3, 55,000 are being collected by the college.

2. **Deliveries in the hospital:** On the day of inspection there was 2 deliveries by C- section. On an average 1 delivery per day is recorded as per the register. On our request to provide us the data sent to Government for registration of births, nothing was provided in spite of repeated requests.

3. **Regarding high tension power lines:** It is true the high tension line is passing through the campus.

4. **Surgeries:** On the day of inspection, 12 major and 8 minor surgeries were noted by us.

5. **Sanitation in the hospital:** Overall was fine but in certain wards and corridors, sanitation needs to be improved.

6. Regarding patients we have given actual statistics of patients present in the various wards.

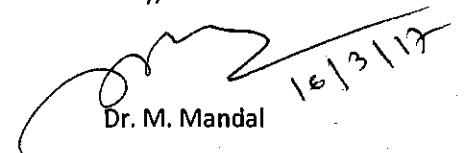

7. Other issues raised could not be verified

Thanking You,

  
Dr. Vimala Thomas
