| 6 | Data of OPD attendance as provided by Institute are grossly inflated. When the Assessors went for round, there were hardly a few patients at Registration counters. After a few hours, Institute brought healthy people & got them registered to inflate data. As per Assessors' verification, it was 550 against required of 1200 | We have an average of 2200 out patients including super specialties per day. The total OP attendance for broad specialties departments was 1660 on the day of inspection as verified and signed by the assessor.<br><br><b>Annexure 6:</b> Copy of OP nominal registers as verified and signed by assessor.  | On the day of assessment, OPD attendance was 1362 as per the data available in the registration counter.  |
| 7 | Bed occupancy at 10 a.m on day of assessment was 52.7%   | The average bed occupancy of the hospital is more than 80% at all times.<br><br><b>Annexure 7:</b> IP Nominal List   | Bed occupancy at 10 a.m on day of assessment was 78%  |
| 8 | In many wards, many patients of super speciality were admitted   | Patients in Super Specialty departments are not admitted under broad specialty. Deficiency noted has been corrected.   | In wards of concerned departments- patients of concerned speciality are only admitted   |
| 9 | There were only 8 major and 9 minor operations for the whole hospital on day of assessment   | On an average the hospital performs 40 Major Surgeries and 65 Minor procedures every day including super specialty departments.<br><br>On the day of assessment, the following number of surgeries were performed.<br>Major – 41<br>Minor – 65<br>Department wise distribution is as follows:<br>i) General surgery -10<br>ii) ENT- 4<br>iii) Ophthalmology- 4 | On the day of assessment, there were 42 major surgeries and 45 minor surgeries as per the OT list, registers and post operative patients available. |

Respected Sir,

Ref: The anonymous letter against Saveetha University –PMOPG/E/2018/0434439

This is with reference to the letter no. **PMOPG/E/2018/0434439** handed over by MCI Assessor on behalf of Medical Council of India forwarded by PMO office, I am by direction to submit the following facts and wish to state that the allegations against our Institution are malicious and baseless.

Saveetha Medical college and Hospital was established in 2008. The Hospital largely serves poor patients from the neighbouring villages and slums. The consultation services are totally free, along with free food for the in-patients. Most investigations are free along with free medicines for IP patients. The hospital has a good reputation in the neighbourhood. Our Hospital is empaneled with Chief Minister's Comprehensive Health Insurance Scheme, under which we provide cashless services for high end treatment for the poor patients.

The Hospital has more number of staff than MCI requirements, with several super specialty departments.

The hospital has excellent infrastructure and support services to provide high quality tertiary treatment to the patients. On average the hospital has 1800 out patients per day and 720 inpatients. On an average we perform 35-40 major surgeries, and 45-60 minor surgeries per day. We conduct average of 4-6 deliveries per day.

### Deliveries

With reference to the allegation related to the number of deliveries, I am to state that the hospital conducts an average of 4-6 deliveries, and 180-200 Obstetrics and Gynaecology OP patients per day. Our hospital is empanelled with the Muthulakshmi Reddy Scheme of Government of Tamil Nadu, under which we provide totally free antenatal, delivery and postnatal services to the beneficiary mothers. In addition the mothers are given cash incentives upto Rs 18,000 by the state Government when they deliver in our hospital. We also have our own Muthaiammal scheme, which covers the mothers who are not beneficiaries under Muthulakshmi Reddy scheme wherein we provide completely free delivery services plus cash incentives for hospital delivery. Since we are a tertiary hospital with 24 hour specialists and NICU available, we get lot of referrals from the nearby hospitals. Today, on the day of inspection, we had 4 deliveries till 2 pm.

I strongly refute this allegation.

### Paediatrics

With reference to the allegation that there are few paediatric patients, we wish to state that on an average we get around 150-180 paediatrics patients per day. We have partnership with Department Health and Family welfare, Tamil Nadu Government, under which we provide free immunisation services to the patients. We do have a good relationship with several orphanages in the neighbourhood, for whom we provide free health care and health education services. Today, on the day of inspection, out of 152 outpatients (till 2 PM) & 73 inpatients we do not have even a single inpatient or outpatient from any orphanage.

I strongly deny this allegation

### Corporate Social Responsibility

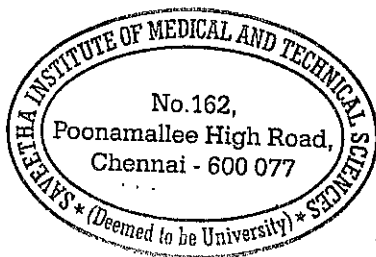

Regarding the allegations with respect to CSR, I strongly deny all the allegations. I am to state that Saveetha University is a charitable institution, rendering free medical services to all poor people. We provide free treatment and medicine to thousands of patients worth more than 15 crores each year, provide free food worth more than 1 crores each year. We have set up Rural health centers and Urban Health centers at a cost of more than 5 Crores, which provides secondary care to the community free of cost.

In addition, through NSS and CSR, we support neighbouring orphanages, schools, anganwadi centers by constructing toilets, building maintenance, furniture, teaching materials, etc.

For the purpose of Environmental Clearance, we have submitted details of only infrastructure related CSR, which amounted to 2.49 crores (not 5 crores as per the complainant). This includes infrastructure and other support to 27 schools, work in 16 different villages, 30 Anganwadi centers, 6 orphanages and old age homes. This includes construction of indoor auditorium costing 40 lakhs in Government school. All these activities are duly acknowledged by Government and other beneficiaries.

Saveetha University is run by professionals, and aims to set high standards in education and research. The Institution is NAAC accredited with A Grade, and ranked 46<sup>th</sup> among all Universities including all IITs, IIMs Central and State Universities in the county by NIRF in 2018.

Therefore we respectfully submit that all allegations mentioned in the anonymous letter are malafidly trying to discredit this University by making baseless and false allegations. I humbly request your good selves to ignore this baseless letter.

Grievance Description

THE SPECIAL ATTENTION OF ALL CONCERNED PMS CASE MOST IMPORTANT FOR

Honorable Prime Minister sir, The Govt. of India under your leadership is putting all their honest efforts to control corruption, restricting money power in Medical education, ensuring CSR money is utilized properly by every company/Institution. Today's common man of our country is looking unto you to restrict corruption. As citizen of India I have always raised my voice against corruption whenever I come across corruption. I would like to bring to your notice few issues related to corruption in Medical Education and how the quality of life saving Medical Education is being diluted. The quality of medical education is diluted because both under graduates and Post graduates do not get hands on training and do not get enough exposure to good number of patients during their training in College days due to less number of foot falls in Medical colleges. But many Medical College Hospitals show fake patient numbers, Data and maintain fake registrars to get MCI approval. Examples with evidences Saveetha medical college and hospital, which is a constituent college of Saveetha University located on the Bangalore High way, in the outskirts of Chennai. 1) Their average No. of Deliveries per month is 40 to 50 but they show 200 deliveries for MCI inspection and maintain fake registrars for the same. 2) Their pediatric patient's footfalls for both IP and OP are less but they bring in children from the homes/Orphanages during MCI inspection and show fake Numbers. Data attached. 2) Saveetha University keeps fake CSR Bills worth Rupees 5 Crore to get environmental clearance from Central Govt. All these bills were prepared by Sun Engineering, one of the vendor/Contractor of saveetha University. Supporting letters were collected from various Govt institutions/Orphanages and homes. Few letters attached. REQUEST As an honest citizen and whistle blower I am requesting you sir Please examine all the enclosed documents thoroughly and necessary steps are taken to improve quality of Medical education and MCI approval norms are strictly monitored and frequent inspection is done. I hope CSR fund utilization matter will be treated in priority to ensure common man and neighbor community gets the maximum benefits from these funds. I personally request to bring all the CSR fund utilization under Govt department and frequent inspection is done. It is time that government actively encouraged and supported public - private partnerships in improving standards and quality of education with the final objective of your vision NEW INDIA. The country knows that your government has inherited a difficult situation in this regard but given who you are, people believe if anyone can fix it, it is YOU. We are happy to have you as the prime Minister of India at this opportune time and wishing you a long life and innings. With this, I extend my best wishes for your government. Yours sincerely  
===MY LIFE WILL BE AT RISK PLEASE KEEP IT VERY CONFIDENTIAL===

In ICCU, there was only one cardiac patient, others were non-cardiac and post-operative which were not counted for ICCU.

In many wards, Superspeciality patients viz Neurosurgery, Pediatric Surgery, were admitted.

OT list was mentioning many patients; however, these were not present in the preoperative area. Signed Evidence sheet attached.

There was gross deficiency of Major & Minor surgeries.

9. Any other Remarks:

Assessors verified the Resident hostels. None of the SR were found to be staying in the hostels.

Superintendent was not accepted due to mismatch in the declaration form & information given - On form - Not practicing, whereas he said he is practicing.

*I as the Dean have submitted my response Ref No SAC/DEAN/ 2018/2699 to the assessors. I am including the response to this amendment report.*

## Response to MBBS MCI Assessors Inspection Report, conducted on 28 & 29 June 2018 at Saveetha Medical College, Chennai

### A. Faculty Attendance

I wish to submit the following for your kind consideration of the MCI, in view of the assessors report

1. The MCI assessors arrived on day 1, 28.06.2018 only at 9.55 am, and gave me a sheet, asking me to mobilise staff at 10.10 am. A large number of my staff signed on the attendance sheet.

**Many faculties who were engaged in clinical care (OT, Labour ward, ICU), etc were missed out, and not accepted even after valid explanation by the HODs and Dean.**

2. Many faculty who were present, but their forms were rejected for trivial reasons:

1. One Professors declaration form was rejected, because the time of consultation was not mentioned in her letter head

2. Residents who were on post duty off, were not given the benefit of appearing in front of the assessors for scrutiny of declaration forms. This I sincerely believe is bias

3. Those who were late for several valid reasons were not accepted by the assessor and their declaration forms were not scrutinised. These are faculty members, who are our faculty since several years, and have appeared in several MCI inspections. Even when valid reasons were given, their declarations forms were not scrutinised. This is not fair.

### B. Out Patient attendance

Assessors have recorded 550 as OPD attendance by visual inspection at 10.30 am, and have mentioned that the figure given by institution is grossly inflated without proper verification.

**An opportunity to explain was not given to our staff.**

C. BED OCCUPANCY Rate has been recorded as 52% . *The calculation of BED OCCUPANCY WAS NOT TRANSPARENT*

It has been stated that the bed occupancy rate has been grossly inflated without verification of actual patients or nominals registers.

**It must be mentioned that patients who have been sent to investigative departments, such as Radiology, PFT, other department opinions, were not accepted.**

I sincerely believe the assessment has been harrowing and harassing experience. I would like to request to have a fair assessment.

### D. Senior Residents

**With regards to deficiency of SRs, the MCI assessors had accepted the declaration forms, however they are shown as deficiency in the Assessors report in every department.**

We wish to submit that we have a good infrastructure, 100% faculty and very good clinical material (More than 80% Bed Occupancy). Kindly request you to give us permission to represent in person.
