1	<p>OPD attendance on the day of assessment is 735 against 1200 required.</p>	<p>It is stated by the Assessor in his report that, on enquiry from Senior faculty of all departments, OPD attendance ranges from 620-735. It is seen from the break up details furnished in the report that some of the Department faculties had given the bed occupancy by mistake instead of OPD attendance. Actually, the total number of OPD patients on 4th May 2016 was 1294. A copy of the computerized list of patients who</p>	<p>OPD attendance on the day of Assessment is 1230.</p>

Sl. No	Deficiencies reported from GOI/MCI	Compliance Report sent to GOI/MCI	Remarks of the Assessors after the assessment
1	<i>Deficiency of Faculty is 23.48% as detailed in the report.</i>	<p>We wish to state that on the day of assessment dated 11.9.2015 there was a local Maha Kaliamma Koil Festival in our area. Due to which the entire office was closed for traffic. The local Panchayat people informed us orally to declare holiday. But however we have not declared holiday. However many of the faculties arrived late due to the festival resulting the faculty shortage of about 23.48 %. However after intimation by the Management of the arrival of MCI Team many faculties reported for duty late.</p> <p>As on date all the faculties are fully</p>	Deficiency of Faculty is 4.54 % (i.e 6 out of 132) as on 06.01.2016

They went to the verandah to get the food. They are not fake. The case sheets of the patients are kept by the staff nurse in charge. These case sheets were taken by the Assessor during rounds. Few of them got mixed and it was mistaken by the Assessor that the case sheets bore different names. The fact is that the staff nurse had not given the right case sheet pertaining to the particular patient.</p> <p>We accept of the mistake of the staff nurse.</p>	<p>These patients are not available now. Notes:

For purpose of working out the deficiency:

(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.

(A) For Teaching Faculty:

- (a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
- (b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
- (c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
- (d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.

(B) For Resident Doctors:

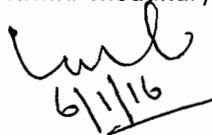

- (a) Excess of SR can be compensated to the deficiency of JR of the same department only.
- (b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
- (c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.

Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	<p><i>Deficiency of Faculty is 29% as detailed in the report.</i></p>	<p>On 18th & 19th February 2015, Sri Muthukumaran Medical College Hospital & RI was inspected by the Coordinator and Assessors from Medical Council of India in connection with the Recognition for award of MBBS degree by the TN DR. MGR Medical University for the students trained by this College. Certain minor deficiencies were noticed by the Inspection team and the same were also rectified. The deficiency rectification was verified by another Inspection team deputed by Medical Council of India on 17/04/2015. During this compliance verification Inspection, no deficiency was found and the College has fulfilled all the required infrastructure and faculties for Recognition.</p> <p>The annual vacation of Schools and Colleges starts from the beginning of April till the end of May of every year. It is only during this period</p>	<p>Deficiency of Faculty on the day of Assessment is 23.48 %.</p>

		<p>majority of the Doctors working in the College and Hospital would prefer to avail leave to arrange for admission of their wards in the Schools and Colleges and also avail short vacation.</p> <p>Since the final Inspection of this College was completed on 17th April 2015, without any deficiency, the legitimate request of the faculties to avail leave could not be denied, after this Inspection.</p> <p>Subsequently there was another surprise Inspection on 28/04/2015. Some of the faculties and Senior Residents who were on leave and available at the Head quarters were called for and they could not reach the College before 11 AM on that date. Those who were able to reach the College after 11 AM were not accepted by the Inspection team. Further there are 78 Junior residents and 31 tutors with MBBS qualification in this Institution. All of them were available and verified by the Inspection team during deficiency verification on 17th April 2015. Almost all of them</p>

The very fact that there was no deficiency of teaching staff during the compliance verification Inspection and also during previous years, will prove that the present deficiency is only due to the above explained circumstances.</p>

Hence it cannot be said that there is sudden influx of patients. A computerized copy of list of the OPD on 28/04/2015 is enclosed (<i>Annexure – I</i>).</p>	
4	<p>On Inspection, it was found that there were only 2 patients in casualty.</p>	<p>The casualty attendance on 28.04.2015 is 75, out of which 5 patients were admitted, 2 referred outside. The list of patients who attended the casualty taken from the register is enclosed (<i>Annexure – II</i>). As already reported, the emergency cases reported at the casualty are resuscitated and after stabilizing they are either discharged or transferred to wards. Therefore, the fact of availability of 2 patients at the time of Inspection, may not be considered as deficiency.</p>	<p>There are 3 patients available in casualty at the time of inspection. There were 115 discharges after midnight of 27th April 2015 i.e. during the early hours of 28/04/2015 . There were 88 admissions during 28th April 2015. Extract of the relevant records were enclosed to confirm the above statistics. Some of the mobile patients had gone for laboratory tests, radiological investigations and other special OP departments. Some of them would have gone to the canteen and to the vinayakar temple in the premises. These are all the routine possible activities of the rural people. In fact some of the patients who returned to the wards could not enter their wards and they were waiting in the corridor since the Assessor was inspecting the wards at that time. There was some delay in locating the other 2 lists, which contains 5 Minor surgeries in the department of OBG and 17 Major surgeries in the surgery and allied departments. There were 28 Minor surgeries and 19 Major surgeries performed in the OT of this Hospital on 28.04.2015. An extract of the OT register was already furnished along with our letter dated 16/07/2015, which will confirm the above facts.</p>

8	<i>Radiology registers had plenty of blank serial numbers allotted in between regular patient names.</i>	There are no blank serial numbers allotted in between regular patient names. The details of patients who undergo radiological investigations are recorded by the technician in the department as and when the patients are taken up for investigation. On 27.04.2015, one of the technicians was on leave and the only technician available in the X-ray department was not able to record the details of the patients then and there. On 27.04.2015, the patients who have been taken X-ray have been recorded up to 90 numbers. There were 171 cases taken X- ray after that. The details of those patients could not be entered for want of time. There were 113 cases for which USG investigation was taken.	On 11 th September 2015, the Radiology Register record of 27 th April 2015 had no blank serial number and these had probably been filled up subsequently.

		<p>The details of 38 patients could not be entered for want of time.</p> <p>At the end of the day the technician was not able to complete the recording of details of all the patients. In order to complete the census of patients on that day, the requisitions pending to be recorded were assigned serial numbers and included in the total number with an intention of recording their details on the next day when the other technician reports for duty.</p> <p>The other technician extended the leave on 28.04.2015 also. Therefore, the details of the patients who had undergone radiological investigations of X-ray and USG on the previous day could not be recorded. However, those details were since furnished.</p>

Summary/ Remarks- Sri Muthukumaran Medical College Hospital and Research Institute, Chennai (11th Sept 2015)

- 1. There is no single resident doctor is staying in campus.(Statement signed by male resident hostel warden, female resident hostel warden and some resident doctors attached herewith)**
- 2. There is no demonstration room in each ward. However, common demonstration rooms for two to three wards are present.**
- 3. Pantry room was empty in most of the wards**
- 4. Around 40-50% patients in indoor wards were not genuine. These patients had no medicines, no relatives and apparently appeared to have been made to sit for head count.**
- 5. Most of the faculty and residents are not involved in patient care as is evident from the patient case files that bear day to day notes by mostly Interns only.**
- 6. Clinical material is grossly inadequate for teaching purposes. Many of the indoor and outdoor patients were only with general complaints and many of these did not require hospitalization.**
- 7. The Medical Superintendant and the Dean were not present on the first day of Inspection.**

Dr Shivaji Sukre

Dr Nirmala Duhan

Dr M B Patel

8. It appears that some of the employees/ workers were shown as patients in different wards for Inspection purpose. These patients left the wards after the Inspection team visit and when the team came to the same ward shortly afterwards, the patients were not present on their beds. They, however, rushed inside the Ward in the presence of the Inspection team. These patients were fake as the medical case sheets bore different names than those who had rushed to occupy the beds. Some of these patients also presented as indoor patients in other wards to the Inspection team.
9. Three different OT lists (of 12 patients) were found submitted for 11th Sept 2015 by General Surgery Deptt. Seven of these patients were not found admitted in the surgical wards at all. No major surgery was done by General Surgery Deptt on 11th Sept 2015. The remaining patients of the list had undergone minor procedures few days ago. No major surgery was done by Obs & Gyn Deptt or by any other Deptt. on 11th Sept 2015.
10. In case paper record of patient Rajima admitted on 7th Sept 2015 (OP No.-781325, IP No. 20150907108) no morning round notes for 11th Sept 2015 were charted in the file. The OPD card of the patient was blank and no investigation had been carried out (original OPD record book, indoor case sheet attached herewith)

11. In case paper record of patient Ambika (Hospital No. 782146, IP No.-90592) admitted on 5th Sept 2015, the OPD record book is totally blank, no investigations have been advised. The oral iron therapy has been advised but not received by patient (signed statement by Prof & Head Obs & Gyn Deptt, original OPD card and indoor case sheet of patient attached herewith).
12. In the case paper record of patient Renuka (OP No. 782157, IP No. 20150905121) is admitted in Unit I of Obs & Gyn Deptt, there are no notes of daily rounds for 6th and 7th Sept 2015. Investigations were also not found in the record (signed statement by Prof & Head Obs & Gyn Deptt, original blank OPD card and indoor case sheet of patient attached herewith).
13. In the case paper record of patient Saroja (Hospital No. 782016, IP No. 2015090582) is admitted in Unit II of Obs & Gyn Deptt, the OPD patient record is blank. Investigations were also not done. Dose of drug Amikacin prescribed and charted is wrong and the same wrong dose has been prescribed daily in the round notes (signed statement by Prof & Head Obs & Gyn Deptt, original blank OPD card and indoor case sheet of patient attached herewith).

14. In the case paper record of patient Suguna (IP No. 2015090895, OP No. 781885) admitted in Medicine Deptt, no medicines or any relative was available with the patient and patient entered after the Inspectors along with many other women patients. The patients name on her medical case file was different from her actual name and there were no doctor's name or signature on her case record. (Signed statement by Dr Allwyn Yashesh, Senior Resident and inpatient record attached herewith).
15. Some of the patient case papers were partly blank with no laboratory data or recent treatment notes.
16. There is no proper playground for medical college in the campus. There is a large ground which is full of overgrown vegetations and cannot be used as a playground.
17. In this campus, there are two Engineering Colleges, one Arts and Science College, one Nursing College and one Nursing School run by same Management. There is no separate earmarked boundary for Medical College.
18. No Intern Girls Hostel is available but they are staying in Nursing Students Hostel for B. Sc Nursing, ANM and GNM students.
19. No separate Nursing quarter/ hostel for Medical College Hospital nursing staff. The Authorities have shown us Nursing College students Hostel for Nursing staff also.

Remarks, if any:

1. The OT list as seen in the OT registers of previous day (27.04.2015)shows that minor surgeries was being shown as major operations .
2. Blood Bank has very small amount of stored blood – only 23 today(Physically counted). The blood bank does not have component facility.
3. NICU & PICU have a low occupancy as of today – NICU – 01/07 and 01 / 05 in PICU, RICU had no patient out of 5.
4. Radiology registers had plenty of blank serial numbers allotted in between regular patient names.
5. Some wards were found to be locked as there were no patients in them.
6. Hospital lecture theatre was locked and could not be opened.
7. The equipment in the Microbiology & Pathology labs were having lot of dust on them indicating non functionality.
8. Mammalian lab in the Department of Physiology was not having any equipment.

Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	<i>Approval of plans for construction by appropriate authority is not yet available</i>	The building plans of Sri Muthukumaran Medical College Hospital & Research Institute, Chikkarayapuram, Near Mangadu, Chennai -69 have been approved by the Ministry of Housing and Urban Development, Government of Tamilnadu in their order G.O (MS) No.52, Housing & Urban Development (UD-1) Department, dated 25.03.2015. A Copy of the G.O is enclosed for information.	Plans are not yet approved. There is a GO (MS) No.52, Housing & Urban Development (UD-1) Department, dated 25.03.2015. (Copy enclosed). See <i>remarks below</i>
2	<i>Bed Occupancy is 72.10% on the day of assessment</i>	<p>It is submitted that as per the accepted procedure, the inpatient census is calculated for any particular day, by taking in to account the previous day balance (YRB- Yesterday Remaining Balance) and adding the total number of admissions till 12 midnight on that day. It is seen from the IP census register that the YRB till the midnight of 18th February 2015 was 555, which works out to 79.2%.An extract of the IP Census Register on 18th February 2015 and also for the subsequent days up to 28th February 2015 is enclosed for information. (Annexure -I).</p> <p>It is submitted that as per the Phase wise requirement of MCI, for 150 admissions, the bed occupancy should be 75% at the time of Recognition Inspection.</p>	Bed Occupancy on the day of Assessment is 80%

		<p>It may be seen from the records enclosed that the daily average I.P is more than 75%.Therefore, the statistical information with regard to the number of I.P cases might have been noted by the Assessor during the Forenoon of 18th February 2015.</p> <p>In this connection, it may not be out of place to submit here that as per the terms of notification published on 16/04/2010, in the Gazette of India, wherever the bed occupancy is less than 70%,such an Institute will not be considered for renewal of Permission in that year. Therefore even if the issue is considered taking in to account of the finding of the Assessor also, the Institution is eligible for recognition in accordance with the amended regulations of MCI.</p>	
3	<p><i>Wards: No wards as per MCI norms available for Psychiatry.</i></p>	<p>It is submitted that 15 beds (Male-8, Female-7) have been provided for Inpatient treatment of Psychiatry patients in the 1st floor of the Hospital. These beds were actually verified by the Assessors during Inspection on 18/02/15.The observation of the Assessor was that the Nursing station is not elevated to have clear view of the patients. Therefore it has been noted that the ward was not as per MCI norms.</p>	<p>Wards for the Department of Psychiatry are available with 8 beds for Male & 7 Beds for Female</p>

		<p>The cots are arranged in the wards maintaining the distance between two cots, as prescribed in MCI regulations. Since the number of beds in Psychiatry ward is less and not like other wards provided with 30 cots, monitoring the patients is comparatively easy. However, in view of the deficiency pointed out by the Assessor, both the Male & Female wards of Psychiatry department have been relocated duly providing accommodation for nurses duty room, etc. as required under B-2, of Minimum Standard Requirements for admission of 150 students. A copy of the photographs of Male & Female wards of Psychiatry Department is enclosed for information. (Annexure-II)</p>	
4	<p><i>Teaching Beds : There is deficiency of 15 beds of Psychiatry Department as only 685 beds are available against requirement of 700</i></p>	<p>Two wards for the treatment of Male and Female patients in the Department of Psychiatry already exist in this Institution, from its inception. The same could be seen from Para 2.6, ward facilities of Part A-II of Assessment form. As already referred to under Item No.3 of the deficiencies, the intention of the Assessor is to point out that the nurse's duty room etc. is not as per MCI norms. In the process, the 15 beds which are actually available in the wards of Psychiatry</p>	<p>15 beds of Psychiatry are available thus total available bed strength is 700</p>

		<p>Department have not been taken into account by the Assessor. But the fact remains that there were 15 beds in the Department of Psychiatry. These beds continue to exist and Inpatients continue to be treated in the Psychiatry wards.</p> <p>In this connection, it is further added that all the faculties in the Department of Psychiatry were available for Physical verification and no shortage of faculty was noticed during Inspection. It is clear that the Inpatient Department of Psychiatry is functioning in this Institution. Since there is no actual shortage of 15 beds in the Department of Psychiatry, and the observation of the Assessor is only that the ancillary accommodation is not as per MCI requirements of MCI, reducing the available beds from the total beds of the Hospital and recording shortage of beds is not in conformity with the real position existed at that time.</p>

Sir,

Sub : PE 04(A)/2014 of CBI/ACB/Chennai - Self Contained Note
against Sri Muthukumaran Medical College, Chennai -
Forwarded - Regarding

.....

A Preliminary Enquiry was registered on 24-06-2014 by CBI/ACB/Chennai vide PE 04(A)/2014 against Dr.Sushma Vashisht, Whole Time Inspector, Dr.S.B. Agarwal, the then Additional Inspector, Medical Council of India, New Delhi, Shri A. Radhakrishnan, Managing Trustee and Smt.R.Gomathy, Chair Person of Sri Muthukumaran Education Trust, Chennai and others in the matter of obtaining approval from MCI for construction of buildings for running various educational institutions, without proper land and buildings approval from the competent authorities.

2. Enquiry revealed that Sri Muthukumaran Educational Trust run by Shri.A. Radhakrishnan had not obtained any approval from the CMDA authorities for any of the College buildings (listed in SCN) constructed in Chikkarayapuram and Mangadu Villages for Muthukumaran Medical College. Further, the college and Trust authorities

had suppressed the original facts and furnished false and fake plan approvals purported to have been issued by CMDA authorities to the MCI for obtaining approval.

3. In this connection, kindly find enclosed a Self Contained Note detailing the facts relating to the above matter for initiating action against Sri Muthukumaran Medical Colleges as per the provisions of MCI Act 1956.

4. Action taken this regard may kindly be intimated to this office.

Yours faithfully,

HEAD OF BRANCH,
CBI ACB CHENNAI

5. As per the documents furnished to the MCI authorities while seeking permission/approval for grant of admission of students, a certificate has been issued by Shri. M. Radhakrishnan, Headquarters, Dy. Thasildar, Sriperumbudur that the above said lands belong to Sri Muthukumaran Education Trust and that the lands are contiguous and the same has also been countersigned by the Dean of Sri Muthukumaran Medical College
6. Another certificate has been issued by Shri. R. Umapathy, Village administrative Officer, Chikkarayapuram village regarding the land use stating that the aforesaid lands are absolutely owned by the trust and that they are not agricultural lands. It has also been stated in the certificate that the lands on which the various buildings of Sri Muthukumaran Medical College are constructed are utilised for educational purpose. This certificate is also countersigned by the dean of the Medical College.
7. Enquiry revealed that the following colleges are situated in the lands belonging to Sri Muthukumaran Education Trust at Chikkarayapuram.
 - a) Sri Muthukumaran Institute of Technology, Chikkarayapuram, Near Mangadu, Chennai - 600 069.
 - b) Sri Muthukumaran Arts & Science College, Chikkarayapuram, Near Mangadu, Chennai - 600 069. Ph: 044 - 2478093.
 - c) Sri Muthukumaran College of Education, Chikkarayapuram, Mangadu, Chennai - 600 069. Ph: 044 - 24782093
 - d) Sri Muthukumaran Medical College hospital and Research Institute, Chikkarayapuram, Mangadu, Chennai - 600 069.
 - e) Meenakshi College of Nursing, Chikkarayapuram, Near Mangadu, Chennai - 600 069
 - f) Faculty of Engineering and Technology, MAHER University, Chikkarayapuram, Mangadu.
 - g) Mangadu Public School, Chikkarayapuram, Mangadu.
8. The Trust is in possession of only 51 acres of lands at Chikkarayapuram and Mangadu villages. The trust had fraudulently projected the same lands to the various statutory authorities and had obtained approvals for opening these

institutions illegally. As all the authorities are different, there was no possibility of cross verification of the details of lands purported to be allocated to the said college which was furnished to each of the authorities.

9. As per the documents furnished to the various statutory authorities, the extent of lands claimed by the Trust for each of the aforesaid institutions is as follows:

S.No	Institution	Land
1	Sri Muthukumaran Institute of Technology, Chikkarayapuram, Near Mangadu, Chennai - 600 069.	28.19 acres
2	Sri Muthukumaran Arts & Science College, Chikkarayapuram, Near Mangadu, Chennai - 600 069. Ph: 044 - 2478093.	4.85 acres
3	Sri Muthukumaran College of Education, Chikkarayapuram, Mangadu, Chennai - 600 069. Ph: 044 - 24782093	5.65 acres
4	Sri Muthukumaran Medical College hospital and Research Institute, Chikkarayapuram, Mangadu, Chennai - 600 069.	25.32 acres
5	Meenakshi College of Nursing, Chikkarayapuram, Near Mangadu, Chennai - 600 069	4.67 acres
6	Faculty of Engineering and Technology, MAHER University, Chikkarayapuram, Mangadu.	6.23 acres
7	Mangadu Public School, Chikkarayapuram, Mangadu.	2.6 acres
	Total	77.51 acres

10. Enquiry further revealed that the trusts represented by Shri. A.N. Radhakrishnan had submitted the same set of survey no's to the various statutory authorities claiming that they are in possession of requisite land for opening the institution and had surreptitiously managed to obtain approvals for running all these seven institutions. Whereas, in reality the total extent of lands comes to 77.51 acres and only 51 acres of lands is in possession of the trust in Chikkarayapuram Village and Mangadu village, which would hardly be sufficient to fulfill the terms and conditions stipulated by the various statutory authorities for opening and running the seven institutions.

11. Enquiry revealed that, The Tamil Nadu Town and Country Planning Act 1971 provides for the land use variations under Sec.32 (4) of the Act. The requests for reclassification of land use zones of Master Plan / DDP are considered

taking into account of the suitability of the site, accessibility, compatibility with the adjoining developments, impact on the environment etc. Sri Muthukumaran Educational Trust had applied to CMDA for reclassification of the lands own by the trust in Chikkarayapuram Village of Mangadu Taluk in the following S.Nos. : 2/1A2, 48/1, 2, 3, 50/1A, 1B2, 51/1, 52/1, 3, 53/1, 2, 55, 56/2, 58, 60, 62/1, 2, 3, 4, 63, 64/1A, 1B, 3, 4, 5, 6, 10, 66/7, 3A1, 3A2A, 68, 70, 71, 252/2B1, 2B4, 253/1A, 1B, 2 & 259/1B OF Chikkarayapuram Village from Primary Residential and Non-Urban use zone to Institutional Use zone (32.13 acres), whereas Shri. Muthukumaran Educational Trust has already started the admissions to MBBS courses for the Ist Batch for the academic year 2010-11 onwards and admissions were made upto 2014.

12. CMDA Authorities in meeting held on 01.07.2013 vide resolution A.R.No. 85/2013 resolved to reclassify the land use for the site under reference from Primary Residential Use zone to Institutional use zone subject to the following conditions amongst others in respect of S.Nos. 2/1A2, 50/1A, 51/1, 52/1, 3, 53/1, 2, 55, 56/2, 58, 60, 62/1, 2, 3, 4, 63, 64/1A, 1B, 3, 4, 5, 66/7, 67/3A1, 3A2A, 68, 70 & 71 OF Chikkarayapuram village; approx. (25.25 acres):

- a) The applicant shall fulfill and abide by all the conditions stipulated by PWD in the NOC issued by them vide Lr.No. T5 (3) / 12851 / 2012 dt. 29.09.2012
- b) The applicant should obtain approval for the existing buildings in the premises satisfying Development Regulations.

13. In this regard, TN Govt. Gazette was published on 07.08.2013. The reclassification of the land is only subject to the conditions stipulated in the Gazette.

14. The Trust has applied for reclassification of the lands from Residential Zone to Institution/Industry Zone only during the year 2012 and previously, the lands were primarily agricultural lands, which were converted to Residential zone during 2008 in pursuance to the CMDA Master plan on 02.09.08, vide G.O No.

19. Accordingly, after verification, clarifications were sought from the Trust and since the trust failed to clarify the issues raised by CMDA, the planning permission was rejected on 12.06.2012. Subsequently, the Trust had appealed before the Secretary, Urban development, Govt. of Tamil Nadu against the orders issued by CMDA authorities. The Trust later issued a Lr. dt. 07.11.2012 undertaking to withdraw their appeal to the Govt. The H&UD Dept also issued a lr.no. 14515 / UD I / 12-2 dt.28.11.2012 informing that the appeal by the trust has been closed as withdrawn.
20. Later on 10.07.2013, the Trust had once again applied for regularization of the various buildings of Sri Muthukumaran Education Trust in various survey Nos of Chikkarayapuram Village and Mangadu Village. After verification, various defects and violations were noticed in the Planning permission application. The Trust was advised on 30.04.2014 to furnish revised plan/particulars rectifying all the mentioned violation/defects within a week time from the date of receipt of the letter. On 25.08.2014, the CMDA had returned the unapproved Planning Permission Application of Sri Muthukumaran Education Trust for regularization of the various buildings of Sri Muthukumaran Education Trust in various survey Nos of Chikkarayapuram Village and Mangadu Village since the Trust had failed to rectify the violations and defects mentioned by CMDA.
21. Enquiry caused with the local authorities, Commissioner of Chikkarayapuram Village Panchayat and Mangadu Town Panchayat revealed that no plan approvals has been issued to any of the buildings built by the trust at Chikkarayapuram and Mangadu villages. Further, as per the instructions of CMDA vide Lr. Dt. 15.05.2013 to issue lock and seal notice to Sri Muthukumaran Medical College , a notice was issued for lock and seal as per the provisions of section 34 of Tamilnadu panchayat building Rules 1997 on 05.06.2013. The College authorities had approached the Hon'ble High Court of Madras in this regard by filing a writ petition No. 16264. The same was disposed off on 02.01.2014 with instructions that the CMDA to consider and dispose of the application for planning permission on merits in accordance

with law within a period of 12 weeks. Hence no action was initiated. Further, notices were issued on 09.05.2011 to 1) The correspondent, Sri Muthukumaran arts and Science college, 2) The correspondent, Meenakshi Nursing, 3) The Correspondent , Sri Muthukumran Medical College and Research institute & 4) The Correspondent, Meenakshi University of Faculty Eng. and Technology to stop work and calling for the approved plan. But based on the aforesaid court order no further action was taken.

22. Enquiry caused had thus revealed that the plan permission purported to be approved for the construction of the medical college of Sri Muthukumaran Education Trust has not been issued CMDA Authorities and that they have not issued any plan approval till date for any of the buildings of Sri Muthukumaran trust at Chikkarayapuram or Mangadu villages. As such it is evident that the College Authorities have submitted fake and fabricated plan approvals for obtaining approval from MCI. It is also evident from the regularization proposal of the trust that none of the building blocks have been approved by the CMDA authorities till date.

CONCLUSION:

From the aforesaid facts, it is evident that Sri Muthukumaran Educational Trust run by Shri. A. N. Radhakrishnan had not obtained any approval from the CMDA Authorities for any of the college buildings constructed in Chikkarayapuram and Mangadu Villages for Muthukumaran Medical College. The College and Trust authorities had suppressed the original facts and furnished false and fake plan approvals purported to have been issued by CMDA authorities to the MCI officials for obtaining approval.

Hence, it is requested that necessary action may be initiated against Shri Muthukumaran Medical College as per the provisions of MCI Act 1956.
