4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Daily OPD 812	The Phase wise requirement stipulates that OPD attendance required for stage of LOP for a 150 seater college is 600. As our OPD on the day of assessment is 812, it is more than that required; hence there is no deficiency in that regard. A table showing the list of patients who attended OPD on the day of assessment (i.e. 28/11/2018) is enclosed as Annexure I .	OPD attendance till 2 pm on the day of assessment was 853 cases. Adequate for LOP. No deficiency noted.
2	OT Load Major 5/ Minor 16.	It is submitted that there is no stipulation regarding workload of the Major/Minor operations in the Phase wise requirement. It is submitted that this operative workload is adequate for a newly established medical college.	No of cases operated in major OTs (including general surgery, orthopaedics, ENT, ophthalmology and gynaecology) was 13 on the day of assessment. Eight minor operations were performed on the day of assessment. Adequate for LOP.

Signature of Assessors

Date
 8/11/2019

Signature of Dean/Principal

 28/11/18

		However efforts are being made to increase operative workload.	
3	Bed Occupancy 82.37%	The Phase wise requirement stipulates that the Bed occupancy required for the stage of LOP, for 150 seater college is 60%. As our bed occupancy on the day of assessment is 82.37%, it is more than that required; hence there is no deficiency in that regard. A table showing the ward wise list of patients who were admitted as IPD patients on the day of assessment (i.e. 28/11/2018) is enclosed as Annexure II .	Bed occupancy at 10 am was 232 beds of 300 i.e. 77.33%. Adequate for LOP.
4	Only 01 delivery/day	It is submitted that, as stated on P.14 of SAF Part A II by the Assessors, in fact, there were two deliveries, one normal and one operative (LSCS). Hence there is no deficiency in that regard. Copy Of P.14 of	On the day of assessment, there was one normal delivery and three caesarian sections. From 1/4/2019 to 7/4/2019 there were 13 normal deliveries and 6 caesarian sections as per the admission book in labour ward. Adequate for LOP.

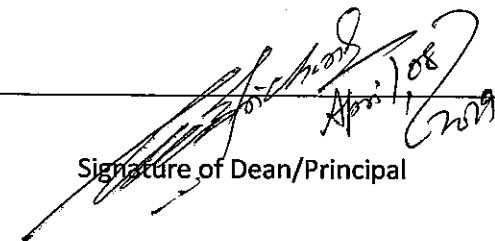

Signature of Assessors

Date

Signature of Dean/Principal

8/4/2019

		SAF Part II is enclosed as Annexure III. It is submitted that the record of Deliveries as submitted to Bachupally Gram Panchayat which is the Registering Authority for the months of December, January & February till date shows that there are 126 Deliveries during this period implying thereby, daily average of 2. A copy of the data submitted to an acknowledged by Registering Authority is enclosed as Annexure IV.	
5	Only 02 Histopathology on the day	It is submitted that the data as filled in SAF Part A II pertains to period upto 2p.m. are not reflected in the assessment report. It is further submitted that the total number of histopathology tests on the day of assessment were 7 (i.e. 04 OPD, 03 IPD). Copy of the list of patients whose samples	Total 8 histopathology specimens were received on the day of assessment. Dispatch book in Operation theatre revealed dispatch of 38 specimens from 1/4/2019 to 5/4/2019 (6 and 7/4/2019 were holidays) – making an average of 7 to 8 specimens per day. Adequate for LOP.

		were received in Histopathology on the day of assessment is enclosed as Annexure V . Hence the deficiency is complied.	
6	Only 97 X-rays for IPD & OPD	It is submitted that data of 97 shown in SAF Part A II pertained to number of patients X-rayed and not to number of X-rays . In fact, total number of plain x-rays on the day of assessment was -143(i.e.116 OPD and 27 IPD) which is more than adequate. A copy of the x-ray registers on the day of assessment is enclosed as Annexure VI . Hence the deficiency is complied.	Total 168 X rays were carried out on the day of assessment. Adequate for LOP
7	Only 46 patients in casualty in 24 hours	It is submitted that as per Phase wise requirement, number of Casualty beds required at the time of LOP is only 10. Hence the number of 46 patients in casualty as	On 7/4/2019, 74 patients were seen in Casualty as per the casualty register. Infrastructure in casualty is adequate for initial management. Adequate for LOP.

		occupancy of these 10 beds is more than adequate as usually 6 hrs observation is required for each patient before the patient is transferred to the respective Speciality ward or discharged. Hence there is no deficiency in this regard. However efforts are taken to further increase the clinical work load.	
8	Mismatch of clinical workload and investigative workload was observed	The explanation given above amply shows that, there is no mismatch in the data of the clinical materials and it is more than required in all clinical parameters. Hence there is no deficiency in this regard. However efforts are taken into further increase the clinical work load.	Cross-checking from the registers no mismatch was observed on the day of assessment. Hence no deficiency noted.
9	Other deficiencies as pointed out in the	It is submitted that following two Indian journals have been subscribed to and since	Journals subscribed before have been received. In all 14 Indian and 6 International journals are available in the central library Adequate for LOP.

Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.
