Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

Conclusions :

Was the examination conducted satisfactorily? **Yes**

Observations of the assessors are to be made in assessment report only.

Was the standard sufficient for the M.B.B.S. examination as required by Regulations of the Medical Council of India? **Yes**

Observations of the assessors are to be made in assessment report only.

The Examination Inspection for the Assessment to evaluate the process of conduct of examination by the examining university for recognition/approval of Osmania Medical College, Hyderabad, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 11(2) of the IMC Act, 1956 for the award of M.B.B.S. degree (250 seats) was done on 27.02.2018 from 9:00 AM to 2:00 PM. The university regulations regarding syllabus, clinical material kept for the examination and the Internal and External Examiners qualifications and teaching experience were verified and found to be of Dr. NTR University of Health Sciences standards and as per MCI norms.

In General Medicine two internal examiners from same college and same university. One external examiner from same university but different college and other external examiner is from different university.

10.No. of students passed?

11.Other remarks if any.

Nil

Conclusions :

Was the examination conducted satisfactorily? **Yes**

Observations of the assessors are to be made in assessment report only.

Was the standard sufficient for the M.B.B.S. examination as required by Regulations of the Medical Council of India? **Yes**

Observations of the assessors are to be made in assessment report only.

The Examination Inspection for the Assessment to evaluate the process of conduct of examination by the examining university for recognition/approval of Osmania Medical College, Hyderabad, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 11(2) of the IMC Act, 1956 for the award of M.B.B.S. degree (250 seats) was done on 27.02.2018 from 9:00 AM to 2:00 PM. The university regulations regarding syllabus, clinical material kept for the examination and the Internal and External Examiners qualifications and teaching experience were verified and found to be of Dr. NTR University of Health Sciences standards and as per MCI norms.

In Paediatrics Internal Examiners are from same college and same university but the external examiners also from same university and different colleges.

By conducting regular Theory Internal Internal Assessment. Practical/ Clinical Assessment, Viva voce to evaluate the cognitive psychomotor and affective domains of knowledge/ skill, it has helped the students to improve their results in final examinations.

(Method of assessment of clinical work in the wards may be clearly stated).

VIVA-VOICE

1. What did it consist of
(Give extent of coverage of subject)

Includes the entire syllabus prescribed by Dr. NTRUHS, 5 Stations Instruments, X- Rays, Specimens Operative Surgery, Orthopaedics : Instruments & X-Rays

2. How was it conducted?

By internal and external examiners together by dividing the total marks allotted among four examiners

3. What was the standard?

As per Dr.NTR University of Health Sciences regulations

4. What was the nature of assessment?

Oral questions will be asked by the examiners and depending upon the performance of the candidate marks will be awarded.

5. Was it done jointly by more than one examiner? **Yes.**

6. How are the marks obtained in different parts of the examination grouped?

General Surgery Instruments 4 marks, X – Rays 4 marks, specimens 4 marks, Operative Surgery 3 marks Orthopaedics 5 marks

Theory	-	120 Marks
Clinicals	-	100 Marks
Orals	-	20 Marks
Internal Assessment	-	60 Marks
Theory and Orals marks are grouped together

7. What is the minimum for passing in each and in the grand total?

Theory and Orals together	-	50%
Clinicals	-	50%
Internals	-	35% for
Eligibility to appear for University examination		
Aggregate	-	50%

8. Results for the last three years.

Year	Appeared	Passed	Percentage
2017	200	180	90
2016	211	196	92
2015	199	171	85

9. No. of students appeared?

Year	Appeared	Passed	Percentage
2017	200	187	94
2016	205	193	94
2015	193	181	94

10.No. of students passed?

11.Other remarks if any.

Nil

Conclusions :

Was the examination conducted satisfactorily? **Yes**

Observations of the assessors are to be made in assessment report only.

Was the standard sufficient for the M.B.B.S. examination as required by Regulations of the Medical Council of India? **Yes**

Observations of the assessors are to be made in assessment report only.

The Examination Inspection for the Assessment to evaluate the process of conduct of examination by the examining university for recognition/approval of Osmania Medical College, Hyderabad, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 11(2) of the IMC Act, 1956 for the award of M.B.B.S. degree (250 seats) was done on 27.02.2018 from 9:00 AM to 2:00 PM. The university regulations regarding syllabus, clinical material kept for the examination and the Internal and External Examiners

c) Higher internal assessment marks help the student to improve their percentage of marks in final examination.

II. Practical/clinical

How is the practical examination conducted give details.

One long case in Obstetrics for 25 marks and One long case in Gynaecology for 25 marks.

Does the practical cover the different branches of the subject?

Yes

a) Time allotted for section.

**Obstetrics long case 30 minutes for taking the case and 10 minutes for discussion
Gynaecology long case 30 minutes for taking the case and 10 minutes for discussion**

b) Examiners

	Names & qualification	Designation	Experience as examiner
Internal	1. Dr. Garuda Lakshmi MD, OBGY	Professor & HOD	15 Yrs
	2. Dr. Shailaja Prasad MD, OBGY	Professor	16 Yrs
External	1. Dr. Gurvaraj R. Deshpande MD, OBGY	Associate Professor	6 Yrs
	2. Dr. Hema Patil MD, OBGY	Associate Professor	10 Yrs

Mode & conduct of practical.
Is it in batches or otherwise.

Yes, it is in batches, each batch includes Around 22 students for 11 days.
