4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Advance course workshop attended by MEU - not mentioned	The Medical College was granted Letter of Permission for the first time in the Academic Year 2016-17 and thereafter, no Batch was permitted for admission in the Medical College due to which, Faculty Members at present working with our Medical College had attended the Advance course workshop during their previous Assignments/Work at different Medical Colleges.	One faculty of institutional MEU committee is undergoing MCI advance course in medical education (FIME) and attended second contact session of the said course. (Encl-1)
2	No CME held so far	That 04 Workshops on CME (Continuing Medical Education) were held in the year 2018 i.e. on 12.02.2018 08.05.2018, 14.05.2018 & 26.11.2018 and the Faculty Members of our Medical College have duly participated in the same which is evident from the Office Circulars as well as the CME Meeting Register. Copy of Office circulars dated 07.02.2018, 03.05.2018, 09.08.2018 & 22.11.2018 alongwith the relevant Pages of the CME Meeting Register dated 12.02.2018 08.05.2018, 14.05.2018 & 26.11.2018 are annexed herewith and marked as Annexure-1 (Colly) .	Two CME meetings held in March,2019 & Apr,2019 (Encl-2)
3	Hospital Lecture Theatre not furnished.	Hospital Lecture Theatre is duly furnished and Photographs of the Hospital Lecture Theatre of our Medical College is annexed herewith and marked as Annexure-2 .	Complied and verified.
4	Visitors room in all hostels - Non AC	Visitor Rooms of all hostels are already air-conditioned. However, few days prior to the date of Assessment i.e. 07/08.01.2019, one AC of visitor room of Boys Hostel was removed for routine maintenance due to off season. Photographs of Boys and Girls Visitor Rooms with AC are annexed herewith and marked as Annexure-3 .	Complied and verified.

5	Indoor games facilities - inadequate, also furniture - inadequate	Indoor game facilities, such as Television, Video Games, Carom Board, Chess, Table Tennis, etc. are very much available in Boys Hostel, Girls Hostel and Resident Hostel. Photographs of Indoor games facilities available in our Medical College are annexed herewith and marked as Annexure-4 (Colly) .	Complied and verified.
6	Biometric devices - not installed in college	That the then MCI vide E-mail dated 10.11.2016 informed the Medical College about a meeting for demonstration which was called in the office of MCI on 16.11.2016 at 12:00 P.M. The Medical College vide E-mail dated 11.11.2016, confirmed to participate in the said meeting and the representative of our Medical College-Mr. Sunil (HR Head) attended the meeting on 16.11.2016. Thereafter, a technician from the authorized authority of MCI had visited our Medical College to check the feasibility for fitting of the Biometric devices. However, such process is still under progress for installation of Biometric devices as no one visited our Medical College thereafter from the MCI Office for the installation. The relevant correspondence E-mails dated 10.11.2016 & 11.11.2016 are annexed herewith and marked as Annexure-5 .	Biometric devices not yet installed as on date.
7	Demo rooms not attached to any ward	It is pertinent to draw the kind attention of your good-self that as per paragraph No. 9 of MCI Gazette Notification No.MCI-34(41)/2017-Med./169890 published on 22 nd January, 2018, the requirement of Clinical Demonstration Room from the Clinical Departments are deleted and the same is reproduced below :- <i>"In clause B.2 under the heading of "Clinical Departments" and under the Sub-heading of B.2.2 regarding "additional accommodation" point No.3. Clinical Demonstration Room (at least one for one each department) shall be deleted."</i>	Demo rooms not attached to any ward as on date.

been counted by the Inspectors for the reasons that they may not be significant for the purpose of teaching. The finding of the Inspectors is not that these were fake admissions, learned senior counsel appearing on behalf of MCI also stated that admissions of these patients have not been doubted but they have been excluded on the ground of not useful for the purpose of teaching. In our opinion, these patients have to be counted towards bed occupancy. It is not the requirement that admitted patients should be useful for teaching purpose, only then they can be counted for bed occupancy. When these nine patients are counted, admittedly, in that case the requisite percentage of bed occupancy is made out..."

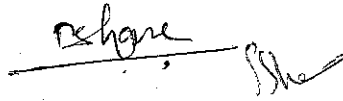

Most of the Patients in the Department of Orthopaedics have not been counted for the reason that they are admitted for OA (Osteo Arthritis) & Low backache, in the Department of General Medicine for OA (Osteo Arthritis), in the Department of ENT for CSOM (Chronic Suppurative Otitis Media), in the Department of Skin & VD and Department of Paediatrics for General Pruritus and in the Department of Obstetrics & Gynaecology for Discharge PV and chronic pain Abdomen.

Some of the patients were not counted by the Assessors of the MCI as they were not present in their Wards and had gone for Physiotherapy sessions, Ultrasound, X-ray etc. Copy of Department wise IPD Data of the Medical College on the day of Assessment i.e. 07.01.2019 is annexed herewith and marked as **Annexure-8**. Copy of relevant Pages of the Assessment Report dated 07/08.01.2019 showing the list of Patients not counted by the Assessors of the MCI for the reason that they did not require admission is annexed herewith and marked as **Annexure-9**. 13	CMO not posted in casualty. Minor OT was locked on the day of inspection.	<p>In emergency, 04 Emergency Medical Officers (EMO/CMO) are available, who work in three shifts with one on off duty and at a time only one EMO remains on duty in Casualty Department. At the time of Assessment, duty EMO was available in casualty and such observation of the Assessors is incorrect and hypothetical. Copy of Duty Roster of EMOs for the month of January, 2019 is annexed herewith and marked as <u>Annexure-15</u>.</p> <p>In Casualty Department One Major OT and One Minor OT Rooms are already available and these rooms are never locked. Major OT and Minor OT Rooms are very much functional & available whenever there is need of such rooms for the patients. However, on the day of Assessment, the sweeper might have closed the door after cleaning the room, but it was not locked. Such observation of the Assessors is incorrect and hypothetical. Photograph of Minor OT is annexed herewith and marked as <u>Annexure-16</u>.</p>	EMO/CMO available in casualty Minor OT available.
14	No patient in clean and septic labor rooms and eclampsia room.	<p>Generally patients are coming/shifting from other wards for treatment in clean and septic labor rooms and routinely they are being shifted back to respective wards such as Obstetrics/Gynaecology wards after treatment. Even as per MCI norms, there is no requirement of special admission of patients in these rooms including Eclampsia Room.</p> <p>Thus, the observation pertaining to 'Nil patient in Clean/septic labor room and Eclampsia Room' is of subjective nature and it is not a deficiency.</p>	No patient in clean and septic labor rooms and eclampsia room as on date.
